12 PAGES — 20 CENTS

Brother Arrested in Stabbing Incident

City Police are continuing to investigate a stabbing incident which occurred at a southside Grayling home early Sunday morning.

According to City Police Chief Pete Stephan, Tim Padgett, 20, of 100 Date St., received multiple stab wounds of the shoulder, neck and cheek during an assault by a younger brother, whose name has been withheld pending issuance of charges by the Prosecutor's Office.

Stephan said preliminary investigation indicates the assault took place following a domestic quarrel at the victim's residence about 5:00 a.m. Sunday morning.

City Patrolman Karl Schreiner was the first officer on the scene. Schreiner summoned the county ambulance and Padgett was transported to Mercy Hospital where he was admitted for treatment of his injuries. Stephan said Schreiner was assisted by deputies from the Crawford County Sheriff's Department.

The assailant is currently lodged in the county jail on open felony charges and action by the Prosecutor's office is expected this week.

First In Series If It Works

Grayling Community School Program To Sponsor "Town Meeting"

An old fashioned "Town Meeting" patterned after the meetings which once were held in township halls all across this country will be presented to the residents of the Grayling area on Thursday evening, October 16, by the local Community School Office. This first in what is hoped to become a series will be held in the Grayling High School Auditorium beginning at 8:00 p.m.

This first "Town Meeting" will be a "Meet The Candidates Night" providing Grayling area residents an opportunity to meet many of the people whose names will be appearing on the ballot in November.

All of the County, State and National candidates have been invited to attend the meeting and participate. After a brief opening statement by each candidate present, members of the audience will have an opportunity to present questions which will be asked of the various candidates.

Following the meeting there will be a coffee hour during which time those present will have an opportunity to discuss issues with the candidates personally.

Last Call for Booster Club Dinner Tickets

Grayling Booster Club members and their guests have only until Thursday, October 9th to purchase tickets for the Booster Clubs 10th Annual Installation Dinner to be held on Saturday, October 11th at the Grayling Holiday Inn. Total cost of the evenings entertainment is $15.00 per person. This includes cocktails from 6:30 p.m. to 7:30 p.m., a delicious prime rib dinner and music for dancing until 1:00 a.m.

Tickets and further information may be obtained from Bill Duke (348-5828), Bud Joyce (348-9834), Iris Corr (348-5821), Irvin McIsaac (348-3366) or any other Booster Club Executive Board member. Members from Frederic and Lovells areas are particularly encouraged to join in this festive occasion. NO TICKETS WILL BE SOLD AT THE DOOR.

$39,000 Grant to NMCSA

Washington D.C.—Federal funding has been secured for an ambitious nutrition program to be managed by the Northeast Michigan Community Service Agency, according to Congressman Bob Davis.

The $39,000 Community Services Administration grant will be used to improve the nutrition and health of low-income families.

Counties affected by the funding, which will run through September of 1981, are Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, and Presque Isle.

The new program is expected to increase the number of eligible individuals participating in federal, state and local feeding programs on a regular basis by 7,650.

Among the scheduled projects is the designing, construction and operation of solar community greenhouses, which would eventually provide food for the needy families.

Kids To Be Home Early

Local Teachers To Attend In-Service October 16

On Thursday, October 16, students of the Crawford AuSable School system will be dismissed from classes early to allow their teachers to attend a Classroom Management Workshop which will be held at Grayling High School.

This in-service training workshop will be divided into four areas of interest with local teachers electing to attend those sessions which are best designed to meet their individual classroom needs.

Topics to be discussed in the four sessions are "Evaluating a Student's Learning Ability"; "Development Oriented Education"; "Encouraging Active Participation in Learning"; and "Understanding the Learning System".

The workshop will be conducted by members of the COOR Intermediate School District Staff and local Special Education instructors.

NMCSA Receives $50,000 Grant

Washington D.C.—A $50,000 Community Services Administration grant has been targeted for the Northeast Michigan Community Services Agency, according to Congressman Bob Davis.

The federal funding will enable the Alpena-based agency to study public transportation needs of an 10-county area of Northeast Michigan. Based on the results of the study, assistance will be given in helping each individual county develop transportation plans.

Counties involved are Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda and Otsego.

The grant period runs from Sept. 1, 1980 for 15 months.

Do You Know?

BY Harrison Goodhue
for American Red Cross

Most of you know that American Red Cross is required by the Congress to render assistance to the Men and Women of the Armed Forces of the United States, their Families and to Veterans of the Armed Services; but, do you know what that assistance really amounts too?

Let me spell it out, because it is really something!

First, and primary, is a system of fast communication between Servicemen and Servicewomen & their Families. If a Service person is in the domestic United States, he or she can go to, or phone, the Red Cross Field Office at their base and ask that a message be sent to their Spouse, Parents, or any member of their immediate family, in time of emergency. Such messages are literally immediately telephoned to the Red Cross Chapter in the county in which the family member lives. The local Red Cross Chapter, in turn, immediately telephones the message to the family member. If a reply is required, such replies are again promptly relayed from the local Chapter to the Service persons base.

Such emergency communication services are performed at the expense of the Red Cross Field Director's Office and the local Chapter. A local family member, of course, can initiate such emergency communications by telephoning their nearest Red Cross Chapter.

To provide the same rapid communication service to Ser-

$Multi-Million Local Suit Reaches Tentative Settlement

by Jackie Bonkowski

After more than four years of litigation, the $multi-million lawsuit filed by UAW Local 1903 (Bear Archery), against Crawford County, the City of Grayling, Bear Archery Company, and several local officials has been tentatively settled.

The total amount of the proposed settlement, according to the office of U.S. District Judge James Harvey, is set at $60,000, to be paid by the defendants to UAW Local 1903. Of this amount, $35,000 will constitute full settlement to the approximately 175 members of the now defunct union local, with individual plaintiffs receiving $200 each. The remaining $25,000 will go to court costs and legal fees.

According to Ross McKinsey, law clerk to Judge Harvey, the settlement was mutually agreed upon by the attorneys of all parties in the suit, and provides that there be no acknowledgement of wrong doing by either plaintiffs or defendants.

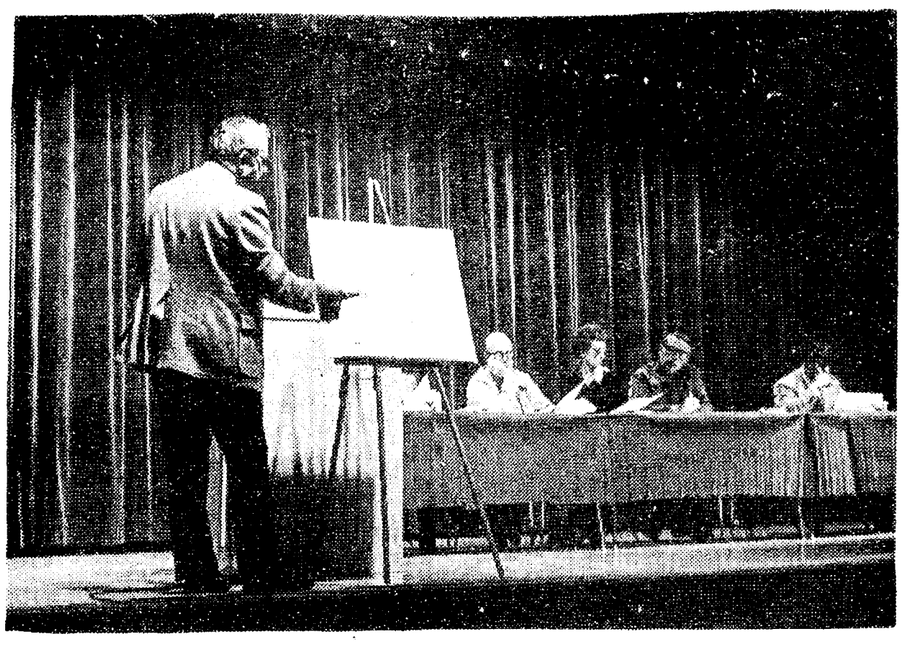

Ross further stated that notices are being sent to all union members, giving them the option of responding in writing by Oct. 20, 1980, if they wish to exclude themselves from the settlement. Union members doing so, he said, will be dropped from participation in the class action suit, and will be ineligible for settlement monies. They will, however, be free to further pursue legal action independently, if they desire.

The stiputlation for settlement, reached on September 30, will have its final hearing before Harvey on October 30, 1980. At this time, if all parties still agree, the case will be dismissed.

The suit, filed by the union in August 1976, charged the County of Crawford, City of Grayling, City Attorney Nelson Miles, Grayling Police Chief Pete Stephan, former Crawford County Prosecutor John Huss, (all charges against whom were subsequently dismissed by order of the Federal District Court) former Crawford County Sheriff Harold Hatfield, and Bear Archery Company with a conspiracy to deny strikers their constitutional rights. Particulars included alleged harassment of strikers, and alleged conflicts of interest between local officials and Bear Archery Company. The suit demanded the strikers receive injunctive relief, and damages in the sum of $1 million per plaintiff, for a total of upwards of $175 million.

The decision to settle out of court for $60,000 after more than three years of litigation appears to be based primarily on economics. In the proposed settlement, Harvey states that legal costs to all parties have been considerable, and that pursuance of the action would assure "further substantial legal expenses and costs." These further costs include a trial, previously set for October 20 and anticipated to have run a month or more, and all subsequent appeals. Trial cost alone is estimated to have run well upwards of $100,000 in addition to monies already spent. A full month of court time had been reserved for the case.

SHOWS HEART LAKE AREA—Mr. Jack Gretzinger, COOR Intermediate School Superintendent, shows the audience the Heart Lake property affected by the transfer petition. Members of the COPI Board are shown in the background. The combined boards voted unanimously last Wednesday to deny the transfer of the property from the Crawford-AuSable to the Gaylord Community School District. (Joe Schrader photo)

Heart Lake Property Transfer Denied

BY Joe Schrader

Despite arguments from a number of Heart Lake property owners, the combined C.O.O.R. and C.O.P.I. Intermediate School Boards denied a petition asking that their area be transferred from the Crawford-AuSable to the Gaylord Community School District. The unanimous decision came at a special hearing held at Grayling High School last Wednesday night, attended by about 100 interested citizens. C.O.O.R. includes Crawford, Oscoda, Ogemaw and Roscommon counties while the C.O.P.I Intermediate School Board has Cheboygan, Otsego and Presque Isle counties.

The decision will save approximately $25,000 in operating revenue Crawford-AuSable stood to lose if the transfer had been OK'd. Property value of the area in question, located in Otsego Township in Otsego County, was tabbed at over $945,000.

Residents cited the proximity of Gaylord to Heart Lake and their closer identification with the community to their north as reasons for requesting the move. Also supporting the transfer was Thomas Gill, Gaylord Community School Superintendent, who noted "it was the sixth attempt by the property owners to achieve equity for their children." Eleven school children currently reside in the affected area, two attend public schools and the balance go to parochial facilities. Two-thirds of the property owners had signed the petition asking for the transfer.

Speaking on behalf of the Crawford-AuSable District were board members Kathleen Burkley, Mickey Perez and Duane Sloan, along with Superintendent Dr. William Diedrich, who asked the board to "consider all of the children who would be affected by the transfer, including the 1930 attending Crawford-AuSable Schools." Noting that many Michigan school districts cross county boundaries, Diedrich said the state board of ecucation should bear the responsibility for realighing school districts if that is necessary.

Also speaking on behalf of the Crawford-AuSable District were GHS student Monique Petrosky, student council president Scott Dunckley and County Treasurer Joe Wakeley.

In denying the transfer request, the board based its decision on the possible adverse effect on all the students involved besides those residing in the Heart Lake area. President Jim Ream said, "this may be just the tip of the iceberg and a bigger problem than we think-after November 4th (election day), there might be a lot more things we have to answer to."

Petitioners have 10 days to appeal the decision to the state board of education.

Our Seniors Need Your Help!

by Harrison Goodhue

Last week we detailed the activities and services provided our Seniors by the Senior Citizens Center and today we would like to explain how they are financed.

First, however, we want to tell you about the three buses owned and operated by the Center:

The Little Feller, a modest sized unit holding 12 passengers, is used primarily to pick up Seniors at their residences and take them to their Doctors, shopping, or to bring them to the Center for meals or programs which otherwise they could not attend.

The Rocking Chair Deserter, a typical school bus, is equipped with a lift for wheel chairs, holds 25 passengers, can accomodate five wheel chair confinees, and is used for all types of trips: "Mystery", "Handicapped", "Over Eighties", etc.

The Big Feller, a 38 passenger converted Greyhound bus, equipped with toilet, is used for long trips-all day, overnight, and extended multi-day trips such as to Florida.

All three of these buses were acquired by the Center by gifts from Citizens and Organizations of the Community and/or by fund raising events accomplished by the Seniors themselves. No Goverment Grant money, or Tax Funds, were involved at any time in the procurement, converting of these buses, or their operation and maintenance.

All trips, for example, unless it is a specific program directed to be achieved by, and funded by, a Government Agency, are paid for TOTALLY by the Senior participants. No Grant Money, no local tax funds, are used for such purposes. Separate accounting and banking programs are utilized so they are totally separated and independent of the financial operation of the Center itself.

This is true whether it is a "Mystery" trip at $17 per participant, which covers gas and maintenance of the bus driven on the trip, including the drivers wages and fringe benefits; or whether it is a 3500 mile, 12 day Florida trip, or whether it is a 16 day Alaskan Tour by air, ship and rail, in which a Center bus is used only to take the tour members to Traverse City or Flint to board an airplane for the first leg of the journey.

No Government Grant money or local Tax Funds are involved in any Senior Trip activities under any circumstances.

There are almost 1900 Seniors of Crawford County who are registered with the Center and are a part of the Senior Citizens Program-that is virtually one of every five legal residents of the County, and, in the fiscal year ending September 30, 1980, each

To Form Choir

The Community School Office is attempting to form a Community Choir-those interested in joining are asked to meet at the Band Room on Monday, October 13th at 7:00 p.m.

For more information call Howard Taylor at 348-7641, ext. 27.

Fiddlers Jamboree

Saturday, October 11th, 1:30 until 5 p.m. at the Senior Citizens Center, 308 Lawndale Drive, Grayling. Admission for the afternoon $1.00.

Hot dogs and hamburgers for sale from 5 to 7 p.m., Dancing from 7 to ?. $2.00 admission for the evening.

Sponsored by the Original Michigan Fiddler's Association. The public is invited.

GHS Year Books Are In

1980 High School Year Books will be available for hand-out at the High School on Thursday and Friday, Oct. 9 and 10.

1980 Seniors or their parents are advised to check with Mr. Kolb for alternate pick up dates. He can be reached at 348-7641, ext. 31.

Rocket Football

During half-time of the JV game on Thursday the Grayling Rocket Football league will have a game.

Swift Assumes Chamber Post

Duanne G. Swift, new Executive Director of the Grayling Regional Chamber of Commerce, officially assumed his duties September 29. Swift, who sees his position as that of "a servant of the membership", says his first months will be spent "getting a feel for the community", and meeting chamber members. His direction and goals as chamber director, he said, will be determined by membership input.

Swift hails from Charlotte, Michigan, is a veteran of Viet Nam, and attended Lansing Community College where he majored in marketing.

He comes to Grayling from Pierre, South Dakota, where he was News Director of KCCR Radio, an affiliate of Sorenson Broadcasting Inc.

Swift served on the Board of Directors of the Pierre Area Chamber of Commerce, and is also a past President of the Pierre Downtown Association. He expresses a "keen interest in preservation of downtown areas", and was instrumental in attaining grant monies for downtown renovation while in Pierre.

Swift and his wife Diane have two children, Carey 8, and Robbie 6. He replaces recently retired chamber director Walt Nowak, who has served at the chamber helm since May of 1977.

Gen-Tel Plans $17.5 Million Program in Northern Area

Gaylord—General Telephone will spend $17.5 million in 1981 to improve phone service for 66,400 customers in 137 northern Michigan communities, according to Lois Reagan, the company's northern division manager.

During a news conference at Hidden Valley Thursday, Reagan said improving service and planning for future customers are two major challenges that the company will face next year.

To meet these challenges, the firm has developed more than 160 projects that make up the 1981 service improvement and expansion program for the communities served by General Telephone's northern division, she noted. These projects range from installing telephone cables to installing the latest in digital electronic technology.

NUMBER OF CUSTOMERS INCREASING

General Telephone's 1981 program is aimed at serving the growing number of customers who live throughout the division's 37 exchanges, Reagan said.

Right now the division serves some 66,400 customers and operates about 97,000 phones, but in 1981 the division expects to have 2,300 more customers plus 4,400 more phones, she said.

The number of phone calls made by customers is also expected to rise next year. General Telephone estimates that more than 218 million local calls will be made by northern division customers, up 6.5 million from 1980, while about 17 million long-distance calls will also be placed, up 1.1 million from 1980.

COMPANY INSTALLING ADVANCED TECHNOLOGY

As part of meeting the challenge of continuing to improve phone service as well as planning for future customers, General Telephone has planned a digital electronic switch project for its Alpena switching office totaling more than $3.7 million, Reagan said. It will be one of the first switches of its kind installed by a GTE Company anywhere. In addition, it will provide a national field test location for several types of equipment to be used in conjunction with the switch. The new equipment allows the company to maximize its use of new digital technology.

The switch will process local calls for General Telephone customers in Alpena, Lachine and Long Lake, she explained. It will also replace the present electromechanical equipment that processes long-distance calls for Alpena, Harrisville, Hillman, Hubbard Lake, Lachine, Lincoln, Long Lake, Onaway, Ossineke, Posen and Rogers City.

When the switch begins serving customers in these exchanges during 1983, calls will be processed faster and more precisely than ever before, Reagan noted. These customers will also be able to dial "1" instead of "120" when direct dialing station-to-station calls.

During 1981, the firm will make an initial investment in digital carrier equipment that will serve the division in future years, she explained. Digital carrier can serve or "carry" as many as 96 phone messages over two pair of cabled wires.

By installing this state-of-the-art equipment, General Telephone will continue to make more efficient use of its present phone equipment, Reagan said. It wasn't long ago

Cong. Davis' Aide Here Oct. 9th

Marquette—Congressman Bob Davis' District Representative Mr. Charles P. Goddeyne will be in Crawford County on Thursday, October 9.

From 9:30 a.m.-11:30 a.m. he will hold office hours at the County Courthouse in Grayling. He will then go to Lovells from 2:30-3:30 p.m. at the Township Hall, and from 4:00 p.m.-5:00 p.m. in Frederic at the Township Hall.

Any citizen wishing to discuss a matter involving federal, state or local government is invited to visit with Mr. Goddeyne at this time. No prior appointment is necessary.

Visitors

A class from Garden City West High School spent from Wednesday, Oct. 1 to Friday Oct. 3 visiting places of interest in Crawford County.

On Wednesday, October 1 the Crawford County Historical Museum was opened in the afternoon to allow the 18 students and two teachers to study more about Crawford County.

After a lecture by Elmer L. Fenton about the area of Grayling and the county the group spent about 2 hours studying the pictures and artifacts depicting the history of Grayling and Crawford County.

This group of students were interested mainly in history and biology. This same group had scheduled a similar trip in October of 1979 but plans had to be changed.

The Crawford County Historical Museum has been open for 7 years. In the seven years of operation only one Grayling High School Class has ever visited the museum as a group. I do believe we have educational material in the museum especially for the Michigan History classes.

Several groups from the middle and elementary schools usually visit the Crawford County Historical Museum each year. This is good.

Home-Dried Food May Be Popular But It's Not Practical For Michigan

by Merrily Lacasse, Ext. Home Ec.

Drying food, one of the oldest methods of food preservation, is regaining popularity around the county. However, days of uninterrupted hot sun and low humidity needed for sun drying are almost nonexistent in Michigan. And using electrical appliances to dry fruits and vegetables is no longer energy efficient.

Sun drying requires temperatures over 98 degrees F. and low relative humidity—conditions found in the Southwest For example, in Phoenix, the average maximum temperature in August is 102 degrees F., the humidity bottoms out at 24 percent, and 17 of the 31 days are clear.

By contrast, in Houghton Lake, according to the National Weather Service Office the average maximum temperature is 77 degrees F. in August and the humidity at the driest time of the day averages 59 percent. Only 10 days are clear. Fruit will probably sour or mold before it dries here.

Solar dehydrators with slanted glass covers still require sunlight for drying. If you get lucky in Michigan, you might get enough days without overcast skies to dry foods. But if you don't get lucky, you could lose it all.

Drying doesn't compare with the high quality of canning or freezing vegetables. Dried foods are shelf stable and easy to store, but so are canned goods.

Dried foods don't retain nutrients well, either. Researchers at Oregon State University dried green beans, tomatoe puree, zucchini and raspberry leather in a hand-constructed dehydrator heated with six 75-watt light bulbs. Retention of vitamin C and vitamin A—the major nutrients in vegetables and fruits-suffered greatly.

Only 2 percent of vitamin C was retained in home-dried green beans; 7 percent in tomato puree. Dried zucchini retained 33 percent and raspberry leather 74 percent. Retention of vitamin A, measured only in the beans and tomato puree, was also poor—only 5 percent.

Drying foods in the oven takes too long to be practical and uses a lot of energy.

You can build or buy a home dehydrator, but be sure you like dried fruits and vegetables and plan on drying for years to come, or your investment of time and money may not pay. Also, many vegetables lose their fresh flavor during drying. Dried vegetables are usually not served as a cooked side dish. They are best used in soups, casseroles, sauces, stuffings and stew.

If you do a lot of backpacking, drying foods at home might make sense for you, but it is really a special-needs case. A home-built or commercial dehydrator draws 700 to 1,000 watts of power and is comparable to turning on your 1,000 watt home hair dryer all day.

Before drying, vegetables must be blanched, following USDA bulletin instructions available from your Extension home economist. Blanching helps preserve nutrients and destroys the enzymes that cause vegetables to take on a hay-like taste during storage.

The best way to protect fruit against loss of vitamin C is by sulfering. Sulfur inhibits an enzyme system that can cause major loss of vitamin C in the fruits. Sulfuring also destroys thiamine, but fruits aren't a major dietary source of thiamine, so the loss is not so serious.

An alternative to sulfuring fruit is blanching, the same technique recommended for vegetables.

Michigan weather doesn't rule out drying herbs. Drying herbs in the shade will preserve their natural color and flavor, so you don't have to wait for several sunny dry days in a row. Choose clean, fresh, tender leaves; wash them and arrange them on shallow trays. Cover the leaves with a single layer of cheesecloth and place in a dry, shady spot until the leaves crumble when handled. Store in dry, airtight jars.

News of Good Things Growing...

Michigan wine, one of the good things growing in our state, and perhaps one of our best kept secrets, will be honored October 5-11 during Michigan Wine week.

"We hope many people take this opportunity to visit the wineries and get acquainted with this expanding industry and the quality Michigan wines available," said Dean M. Pridgeon, director of the Michigan Department of Agriculture.

"Our viticulture industry has taken great strides in recent years and has captured many prestigious awards. The wine industry is a definite asset to the state's agricultural economy."

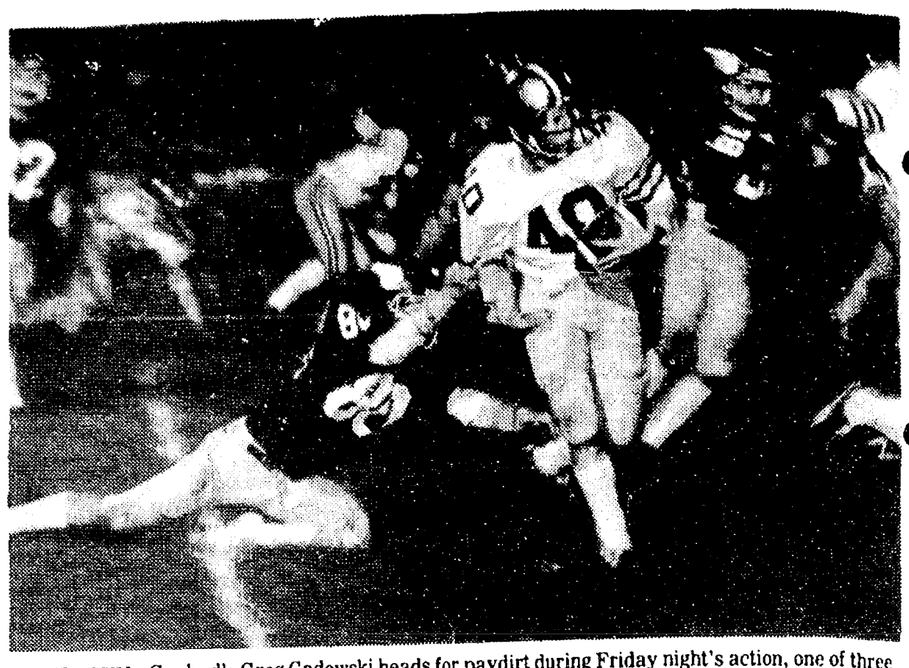

Michigan's wineries developed at the close of Prohibition, when it was determined weather and soil conditions along Lake Michigan provide excellent growing conditions for wine grapes. French hybrid grapes and vinifera, classic wine grapes, have been grown increasingly in the state, enabling winemakers to produce internationally competitive wines.

Sixteen wineries now sell products throughout the state and half the nation. If the word "Michigan" appears on the label, a minimum of 75 percent of the grapes must be grown here.

Free winery tours are available to visitors at many of the state's wineries year-round, seven days a week, and most have tasting rooms.

"This is an excellent time of year to visit one of the wineries. Grapes are being harvested now and visitors are able to see the grape crushing, and wine-making process," Pridgeon said.

TD RUN—Gaylord's Greg Gadowski heads for paydirt during Friday night's action, one of three scores the Blue Devil tailback romped for in the first half. Grayling's Erich Chrisman (No. 80) makes a grab at the speedy Gadowski who slipped away and into the endzone for a Blue Devil TD. (Joe Schrader photo)

Blue Devils Thump Vikes, 35-13

BY Joe Schrader

The Gaylord Blue Devils were held to a lone touchdown the first quarter Friday night exploding for 28 points the next three periods to send the Vikes reeling to their third straight loss here at home, 35-13. It was Parent's Night at the ballpark and a cool 35 degrees but the Vikes couldn't treat the old folks to a victory.

Grayling is still looking for its first league win of the season and the loss dropped the squad's overall record to a single win against four defeats. The Vikes hit the road this Friday for a clash with the Red Rayders at Charlevoix, a 27-7 loser to Cheboygan last week.

* * *

In Friday's contest, the Vikes took the opening kickoff and four running plays later had what appeared to be a first down on the Blue Devil 38-yd. line. But a costly procedure call moved the Vikes back and QB John Junttila was faced with a 3rd and 10 situation. He tried to hit Bill Roach along the sidelines with his first pass of the night but the ball was tipped and safetyman Ron Sides intercepted for Gaylord on their 47. Five plays later tailback Greg Gadowski sprinted in from 7 yards out and the Blue Devils were out in front midway through the opening period, 7-0.

Gaylord threatened again late in the 1st quarter but an interception by Bill Roach in the endzone killed the Blue Devil drive and the 1st quarter ended 7-0.

The Blue Devils struck again the second period when Gadowski took it in again, this time from six yards out, the kick failed and it was 13-0 at the 7:27 mark.

Grayling's Ted Methner brought the crowd alive on the ensuing kickoff when he fielded the ball on the Viking 15 yard line, headed straight up the middle and raced 85 yards behind good downfield blocking to put Grayling back in the game. Brian Yoder's point after was good and the Vikes trailed by only six, 13-7.

But the margin was short-lived when Gaylord struck again after the kickoff, Gadowski again scoring on a one yard plunge, the kick was good and the Devils owned a 20-7 lead at the half.

Gaylord continued to pour it on the second half, scoring two more TD's and a safety to increase its lead to 35-7 with the clock winding down. But the Vikes managed to score again before it was over. With just 10 seconds remaining, Junttila hit Terry Norman with a 24-yd. scoring strike, an "up for grabs" toss into the endzone the junior wide receiver managed to come down with amidst a host of Gaylord defenders.

But when the gun sounded the Blue Devils had an easy, 35-13 victory.

* * *
* * *

TAGGING THE VIKES: "Gaylord owned our tackle slot," Head Coach Bill Klinger said afterward, "we tried four defenses to stop them and they all failed." The Blue Devils played ball control football against the Vikes, running 55 plays to Grayling's 40 and pinning the home team in their own territory all night...

Methner's 85 yard TD romp was the longest for the Vikes this year. "We should have been able to turn the game around after Ted's run," Klinger said, "but it didn't work out that way, Gaylord came right back and pounded us..."

The Vikes tallied 65 yards rushing Friday, added another 56 through the air for an offensive output of 121...

"For some reason we couldn't move the ball on the ground after our first possession," Klinger continued, "we just couldn't execute after that-our offensive blocking just broke down for some reason..."

QB John Junttila was 8 for 18 and one TD for 56 yards. Bill Roach hauled in 3 passes, Scott Hale and Terry Norman grabbed two apiece and Ted Methner had one reception. Junttila now has seven TD aerials this year. He was intercepted twice on Friday...

Gaylord piled up 221 yards rushing and added another 144 through the air for a total of 365 yards, controlling the game all evening...

Brad Trenary and linebacker-noseguard Craig Collen were leading tacklers for Grayling and Klinger credited Roger Weatherly, Chris Collen, Ted Methner and Jay Schrader for their defensive play...

Tim Emerick and Ted Methner were leading groundgainers for the Vikes with Emerick ripping off most of his yardage on the first Viking drive...

The Junior Vikes traveled to Gaylord Thursday but came home on the short end of a 35-0 shellacking, dropping their record to 1-4 this season.

From Our Corner ...

Ol' Smithy isn't helping the ol' fella out abit this week...seems we have been sitting hear trying to conjole up something of interest to help fill this turkey for a quite a while now, and nothing seems to want to jell, so I guess it will have to be a few tid bits of idle thoughts this week...

* * *

We were looking at the calendar Saturday and seeing the 4th of October reminded us it is just a month from now that in the United States, the highest office in the land to the smallest grass root township office will be filled and the destiny of our future will be in their hands for the next four years...two years in some cases...seems to us that the primary just got over with...where did the summer of '80 go?

* * *

It was refreshing to us when we heard tht the petition by the Gaylord Community School District to transfer property in the Heart Lake area from the Crawford-AuSable School District was denied at a meeting last week held at Grayling High School...some $945,000 in property valuation which amounts to approximately $25,000 in operating revenue would have been lost by the Grayling Schools had the transfer been okayed...it was doubly refreshing when C.O.O.R. and C.O.P. I. Intermediate School Boards voted unanimously in denying the transfer...this was the sixth time that an attempt has been made to transfer this portion of property to the Gaylord District...to us it seems it has been going on forever...at least since we have lived here...

* * *

For what it is worth...not living in any of the districts where the state is contemplating building AIS homes for mental persons here in Crawford County, we still cannot comprehend why the state says they are going to build no matter what...this is freedom? As far as we are concerned no way should homes be built in areas where the present residents are against them...this again is a show of the state's bureaucracy and almost a display of the power that lies in their hands...with a concentrated effort there is always the possibility to halt such action by the bureau...there may be a ray of hope for those effected to contact their state reps, Ralph Ostling and Mitch Irwin to put pressure on stopping the bureaucracy push...

* * *

This little bit is to whom it may concern...lately, and from time to time we receive notes, sometimes hand written, sometimes with a piece out of another paper addressed to me, stating they think this would be good to put in the Avalanche...the problem, the person does not sign their name...there are times we possibly would print what they send in, but, we would like to know the persons identity so that we could call them and find out what publication they cut the article out of...not all, but most of the time we have to get permission to run other papers' stories...so, to whom it may concern, if you don't sign your name you are wasting your time and mine...

* * *

If this October weather doesn't straighten up we're going to have to hope for a hot November, so you see what that means...no chance...we were thinking the other day about how close we are to halloween and frost on the pumpkin which means the ol codger has attained one more milestone, which ain't bad if your 40...

Start planning on hearing and reading about alot of political promises...the candidates are just getting warmed up...with that little bit of knowledge we pass along we're going to head for the wagon shed...have a nice weekend...

from HISTORY'S SCRAPBOOK
DATES AND EVENTS FROM YESTERYEARS

October 9, 1888—Washington Monument in Washington, D.C., opened to public.
October 10, 1971—London Bridge, dismantled and reassembled at Lake Havasu City, Ariz., dedicated at its new site.
October 11, 1868—Thomas A. Edison files patent papers for his 1st invention, an electric vote recorder.
October 12, 1492—Christopher Columbus lands on San Salvador Island in the Bahamas.
October 13, 1903—The Boston Americans win 1st annual baseball world series, defeating the Pittsburgh Nationals, 5 games to 3.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago
October 10, 1957

Mr. and Mrs. Jerry McClain had a son, Paul Steven, born October 4. He weighed 7 lbs. 13 ozs.

Mr. and Mrs. Raymond Slusser and children Kyle, Dale and Raylene returned Tuesday of last week from a four-day visit at Vaughsville, Ohio, with relatives and friends. On the down trip they stopped overnight at Bowling Green, Ohio, with the Bob Gravels.

Mark Anderson, son of Mr. and Mrs. Batch Anderson of Lake Margrethe, celebrated his 11th birthday Monday, September 30th entertaining 16 boys with a weiner roast, potato salad, ice cream and cake.

Dr. and Mrs. Ralph Hoffman and children Mike and Bridget returned recently from a ten-day vacation in West Virginia. They spent some time with Dr. and Mrs. Wedel Perrill at Kingwood, and during their stay attended the West Virginia-Virginia football game at Morgantown, West Virginia. They later called on Mrs. Hoffman's sister, & family, the Bill Barrus' in Fairfax, Va., then on their return trip visited Niagara Falls, and came back home by way of Canada and Port Huron.

Mrs. B.E. Henig and daughters Candace, Gretchen, Claudia and Janie returned last Tuesday after spending several days visiting her parents, Mr. and Mrs. H.E. Farrington in Lansing.

The Jack Trudgeons were in Detroit Saturday morning, September 28th, where he was best man at his brother Robert's wedding. Their mother, Mrs. Elizabeth Trudgeon of Sault Ste. Marie came here Thursday to accompany the Trudgeons to Detroit Friday evening. They drove her back to the Soo on Sunday before returning home.

Mr. and Mrs. Robert Bovee, the Bruce Smiths, the Henry Sherrys, the Frank Bonds, the Jack Trudgeons, LeRoy Christian, Joseph Stripe, Mrs. Ernest Borchers and son Don enjoyed a trip down river of Tuesday of last week as far as the landing at the Dr. Barrus cottage, where the party held a picnic.

Little Misses Billie Fay and Dena Kay Bovee were taken by their grandparents, Mr. and Mrs. William Christenson, to Mackinaw City on the train Saturday a week ago as a birthday treat. Their birthdays are September 30th and October 17th, respectively. Mr. and Mrs. Bovee drove up to join them. The whole family took a ride on the ferry, visited the Mystery Spot and Castle Rock in the U.P., and then drove back home.

The Albert Schreiber home on M-72 East of Grayling has had considerable repainting on the interior.

46 Years Ago
October 10, 1957

Mrs. Frank Sanders, son Paul and daughter Martha, accompanied by Rudy Harrison were in Alpena last week Wednesday on business.

Miss Mary Schumann of Lansing was at the family home over the weekend. She had as her guest Miss Phillis Walker, also of Lansing. They returned Sunday evening.

Veronica Lovely, Grayling sophomore, has been appointed proof reader of Life, the weekly student publication at Central State Teachers College, Mt. Pleasant.

Mr. and Mrs. Ace Leng and three children of Frederic left last Friday to spend a week at the Century of Progress.

We certainly can't kick on the way killing frost held off this fall-right up to October 1st in most places, while only a few spots suffered earlier ones. And even now some gardens are still producing flowers right here in town.

The fall potato crop proves to be a bumper one. Potatoes in the Gaylord wholesale market were down to 24 cents per bushel last week. Good spuds are worth from 75 cents to $1.00 to any family, regardless of the market price. And potato farmers should have such prices if they hope to have any more than a bare living for their agricultural efforts.

Prize winners for Spike's amateur night program last evening were: H. Colombo, of C.C.C. 672 first prize, who sang several songs which the audience enjoyed very much. Howard Schmidt won second prize with some singing in which he cleverly imitated Al Jolson, Kate Smith and Bing Crosby. Sam Gust and Roger Kneff were awarded third prize. They put on a talking skit impersonating Gus and Schenck, a colored team.

Mrs. Celia Granger and daughter Isa spent the weekend in Grand Rapids where they visited Mrs. M. Bowman. They were accompanied as far as LeRoy by Mrs. Nels Corwin and Mrs. James Wingard, who visited relatives there.

69 Years Ago
October 12, 1911

N. Michelson spent a few days at the home of his daughter, Mrs. Ed Hartwick, in Detroit, returning to Grayling Monday.

George Hartman and family are moving back into their farm at South Branch. They have one of the finest farm homes in Crawford County.

Alfred Hanson, who has been working for Olaf Sorenson & Sons, had to quit on account of his health. His physician says he must remain as much as possible out of doors.

Carl Sorenson has returned from Ypsilanti where he went recently to work in a barber shop. He is working in Olaf Sorenson & Sons.

Joe Anderson of Maple Forest has five acres of corn and has already husked over 600 bushels from it and not nearly finished.

Hogo Schreiber's horse was frightened by an auto Saturday as they were on their way home and broke the shaft off of the buggy and ran away. The horse went home alone. The man with the auto took Mr. Schreiber home.

William Leonards, living eleven miles east of here, has two trees of snow apples that yielded forty-five bushels.

Do you realize if Grecian Formula ever merged with Greyhound, we could all be riding in Blackhound buses?

The Bible Speaks
From Calvary Baptist Church

WHY DO GOOD PEOPLE SUFFER?
Part 3

In the past two articles we have studied 14 reasons why good people suffer. By now it should be evident to most of our readers that suffering is a normal part of a Christian's life here on earth. Life on this earth is the closest thing to Heaven the unsaved will ever know, while this same life on this earch is the closest thing to Hell the saved will ever know. Let us resume our study of why the righteous suffer:

15) Christians suffer to fulfill the will of God. "Wherefore let them that suffer according to the will of God commit the keeping of their souls to him in well doing, as unto a faithful Creator." I Peter 4:19.

16) Christians choose suffering for right rather than enjoying the pleasures of sin for a short time. "Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season." Hebrews 11:25. Moses gave us here a perfect example of such choices.

17) Christians choose to give their lives for others in love. "Greater love hath no man than this, that a man lay down his life for his friends." John 15:13.

18) Christians suffer for the body of Christ which is the Church. "Who now rejoice in my sufferings for you, and fill up that which is behind of the afflictions of Christ in my flesh for his body's sake, which is the church." Colossians 1:24.

19) Christians suffer that they "may be glad also with exceeding joy" at the appearing of our Lord Jesus Christ. "But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy." I Peter 4:13.

20) Christians suffer so they may reign with Christ at His return. "If we suffer, we shall also reign with him: if we deny him, he also will deny us." 2 Timothy 2:12.

Suffering is a normal, healthy part of daily Christian living. Instead of trying to avoid it, we should learn to appreciate the benefits of it. We should become more Christ-like in our responses. (Concluded next week). (adv.)

Pastor Barnett

Mercy Hospital Auxiliary News

The Mercy Hospital Auxiliary will be holding their Silver Tea Luncheon and Bazaar Oct. 16th from 12 Noon until 4 p.m.

The Michelson Memorial United Methodist Church has graciously donated their facilities for this event.

There will be a drawing on all Bazaar Tickets.

There will be a montly meeting Oct. 9th at the St. Mary's Church Family Center.

D. Payne

"Make sure your car insurance protects you in 'no-fault' states."

"If you're planning on a long trip by car, chances are, you'll be driving through states with 'no-fault' insurance laws.

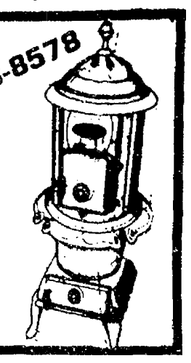

"If you're covered by an Auto-Owners policy, you can relax. Auto-Owners provides protection automatically under its bodily injury and property damage liability coverage in 'no-fault' states.

"This kind of far-sighted protection is just one of the reasons we recommend Auto-Owners Insurance to the people we serve."

Auto-Owners Insurance
is for auto owners, too.

Frederic News

by Eva Hulbert

Sam and Pat Pancake and family from Grass Lake were weekend visitors at her mother's, Joyce Partridge.

Wayne and Janice Becksboort and girls of Holland were visitors at the home of her parents, Rev. and Mrs. Robert Taylor and here to go for the color tour.

The trees are really getting beautiful now, hope it stays awhile.

Brian and Judy Hulbert and son, Eric, also from Holland were visitors at his mother's Eva Hulbert and her parents, Rev. and Mrs. Robert Taylor and grandparents of Brian, Mr. and Mrs. Walter Desnoyers, sisters, Tom Denno Family and Pat Sloan Family. Brian and Judy help Pat move to Frederic.

Senior Citizen discount pictures October 13, 1:30 to 3:00 at the center in Grayling.

If you like fiddler music don't forget the Fiddlers Jamboree at the center, October 10, Friday from 1:30 to 5 p.m., $1.00 to listen and later those who like ole time square dancing at 7 p.m. $2.00 for the evening. Sounds like a good time.

Senior Citizen Satellite Dinner for Frederic and Maple Forest was well attended with 51 dinners and 2 carry out. Ken King and his wife were guests and he showed his slides from Alaska, which was well appreciated, and interesting. And was nice to see some of the Senior Citizens in the slides that went on the trip from here in our area. Thanks to June Feldhauser for the music and to the other helpers, Nurse Elsie Larson, Pauline Henion and Ellie Lozon. Thanks to the school for Dave Englund, Mr. Hawkins and children that helped.

You know since I had this job I get to see a lot of old friends and meeting new ones. I enjoy going to their homes, I'm well received wherever I go and ask to come back, which really feels good, I've been getting good response from everyone I ask for help, just to mention a few Al Leng, Dohn Weaver and Harold Mertes. I hope they don't mind but I feel people should know. And Barb from Timberview for getting her people to the dinner they really enjoyed themselves. If you feel down you should make a visit there, they do enjoy company. I know I get a lift. Have you called a loved one lately, a mother, father, that might be living alone or grandparents. We need each other. Out Reach Eva Hulbert.

Lovells News

by Ruth Caid

Weekend guests at the home of Mr. and Mrs. Lloyd Su... were her sister and husband, Mr. and Mrs. Wesley Duty and her brother, Amos Grassley of Monroe, also her mother Mrs. Delia Grassley of Grayling.

Mr. and Mrs. Mac Fordyce of Mt. Clemens are visiting her sister and husband, Mr. and Mrs. Abbott Walker.

Mrs. Jackie Porter is visiting her father, Jack Kaiser, while her husband is on assignment in the eastern United States.

Frederic Junior Troop 2172

This year our Junior Troop has twenty-three girls. Our leader is JoAnn Fairbrother, and Anita Verlinde as co-leader.

Our first meeting was held Sept. 24th at the Town Hall. At this meeting we divided into four patrols, when this was done we hiked to the home of Millie and Gene Harmer of Frederic and presented Millie a plaque for their help to the Girl Scouts by saving their Glens slips for the last five years. Thanks again Millie and Gene, after hiking back to the hall we talked about having a bake sale to earn money for the new badge books.

At the October 1st meeting we discussed badges we would like to earn, community projects and fun things we would like to do. On October 4th we held a bake sale and would like to thank the parents who donated and the people who purchased our baked goods. We would like to give a special thanks to Mr. Ace Leng of Frederic, who gave a generous donation to our troop.

JoAnn Fairbrother
Leader

Son-in-college!

It's always great to hear from your college enrolled son. It usually takes four years and one bank account for him to graduate. One nice thing is the letters you get. Like the one that reads: "Dear Dad - Hope you haven't been ill. Send me a check so I'll know you're alright."

Hospital News

The following were among those admitted to Mercy Hospital during the past week: Patricia Lyons, Altha Heric, Walter Galvani, Lucille Hively, John Parker, Alger Kjomme and Clarence Breuer all of Grayling; Thomas Shunk and Elma Betway both of Roscommon.

Those discharged were: Joanne Hubbard and baby, Dale Worden and Linda Roberts all of Grayling; Donald Howden, Clarissa Nauer, Mary LaBean, Harry Pike Jr., Larry Tornga and Ethel Leodler all of Roscommon.

Dana and Shirley Westbrook of Luzerne are the proud parents of a baby girl, Rhonda Ann, born September 30, 1980, weighing 7 lbs. 6 ozs.

Fred and Kathy Gottschalk of Mio gave birth to a baby boy, Jay Randall, born October 1, 1980, weighing 9 lbs. 5¾ ozs.

Tony and Robin Hartwell of Houghton Lake announce the arrival of a baby girl, Pamela Jo, born October 3, 1980, weighing 6 lbs. 14¾ ozs.

Obituaries

Thursday Services For John "Jack" Feldhauser

John L. "Jack" Feldhauser, age 64, died Monday, September 29, 1980 at Mercy Hospital. Funeral services were held Thursday, October 2, 1980 at 11:00 a.m. at Sorenson Funeral Home with the Rev. William Rabior officiating. Military graveside services were conducted by representatives from the American Legion Post No. 106, 1071st Maintenance Co. and 1438th Engineer Group of the Michigan National Guard at Elmwood Cemetery.

On Wednesday evening, Father Rabior led friends and relatives in a rosary service.

Mr. Feldhauser, a lifelong resident, was born February 24, 1916 and had been employed as a mechanic for Cadillac Overall and Hanson Sales. He was a member of American Legion Post No. 106 and 40 et 8.

He is survived by two daughters, Mrs. Steve (Gayle) Dawson of Cadillac, and Mrs. Robert (Laura) Miller; son, Curt; 3 sisters, Bessie Feldhauser, Dora Feldhauser and Jean Riehl of Mt. Pleasant; brother, Edward of Ritter, Oregon and 6 grandchildren.

Pallbearers were: Art Clough, Jr., Doc Latuszek, Byron White, Dick Hamlin, John Rolfe and Robert Andrus.

Final Rites For Dorris McEvers, 74

Dorris M. McEvers, age 74, died Sunday, October 5, 1980 at Mercy Hospital. Funeral services were held at 10:00 a.m., Wednesday, October 8, 1980 at Calvary Baptist Church with the Rev. Robert Barnett officiating. A graveside service was conducted at 4 p.m., Wednesday at the cemetery in Vermontville, Michigan.

Pallbearers were grandsons of Mrs. McEvers.

Mrs. McEvers was born September 3, 1906 in Sunfield, Michigan, a resident of Grayling for 25 years and a member of Calvary Baptist Church.

Survivors include her husband, Roy R.; daughter, Carolyn Williams of Bonita Springs, Florida; son, Gerald Ide of Denver, Penn.; 2 stepdaughters, LouAnn Niederer of Houghton Lake and Vickie Gashio of Alma; 2 step-sons, Ted McEvers and Gerald McEvers; 2 brothers; 1 sister; 13 grandchildren; 12 step-grandchildren; 8 great-grandchildren and 2 step-great grandchildren.

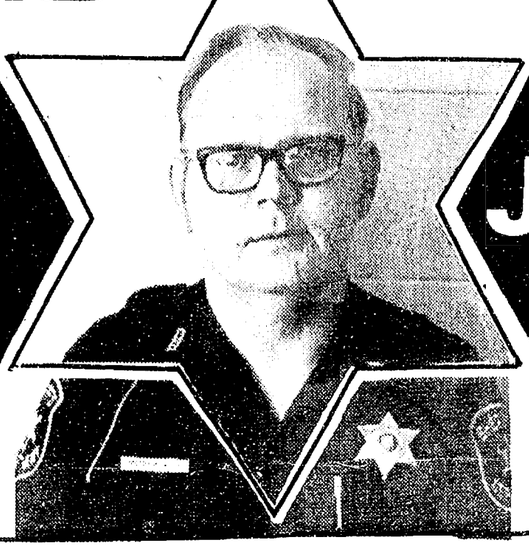

Services Held For Florence Steere, 79

Florence P. Steere, age 79, died Wednesday, October 1, 1980 at Mercy Hospital. Funeral services were held Saturday, October 4, 1980 at 2:00 p.m. at Sorenson Funeral Home with the Rev. Otis Smith officiating. Comittal services were held at 1:00 p.m., Monday, October 6, 1980 at Forest Lawn Cemetery in Detroit.

Mrs. Steere was born March 9, 1901 in Northville, Michigan, she had been a resident of Grayling for 6½ years.

Survivors include her daughter, Mrs. Edward (Betty Mae) Paschke of Longmont, Colo.; son, James R. of Grayling; 3 grandchildren and 3 great grandchildren. She was preceded in death by her husband, James R. and son, Thomas.

The family has requested Memorial Contributions be directed to the American Cancer Society or the Michigan Heart Association.

Announce Engagement

Mr. and Mrs. Edward Taylor are proud to announce the engagement of their daughter, Mary Ann to Gary Wert, son of Mr. and Mrs. Carroll D. Wert.

They will be married on November 7, 1980 by Emil Kraus. There will be a reception at a later date.

Garden Club To Sponsor Color Tour

The Kirtland Garden Club will sponsor a color tour for their regular meeting October 13. The tour, guided by Bill and Marion Bosserman will be open to the public.

There from the Roscommon area wishing to take the tour can meet at the First Congregational Church at 9:30 a.m. The group will proceed to the Houghton Lake Historical Society's "old school house".

Beulah Carman and other club members from the Houghton Lake area will serve coffee from the "cook's shack".

The tour will start shortly after 10 a.m. Brown bag lunches will be eaten at noon during the visit to Reedsburg Dam. Each person will be responsible for their own lunch. Ya all come. Ya hear?

Golf Award Winners Named

BY Fay Bovee

For the first time in many years, the Men's League Awards dinner was held elsewhere than the Grayling Country Club. Friday evening September 26, 1980, the Holiday Inn with Ron Fraser as host, was the scene for the combined Tuesday and Wednesday night men's leagues banquet with a capacity crowd on hand to enjoy the festivities.

The evening started with cocktails accompanied by hors d'oeuvres which were furnished by North Michigan Land and Oil Co. An excellent prime rib dinner followed after which the ards were given to the lucky golfers.

Ab Sager, in his own inimitable style, served as master of ceremonies.

Winners in the Wednesday league were: Flight A, John Libke and Bill Decker with runners-up, Bruce Smith and Bill Scheer; Flight B, Charlie Gierke and Fred Moore with runners-up, Mike Eldon and Gary McLaughlin. Winners in the Tuesday league were: Flight A, Tom St. Germain and Bruce Smith with runners-up, Bill Sorenson and Barney Dopp; Flight B, Bill Weaver and Bill Weaver, Jr., with runners-up, Dale Nicholas and Chip Nicholas; Flight C, Gary McLaughlin and Wally Robinson with runners-up, Bill Commons and Ted Kortes.

Herb Olson was awarded as the most improved golfer of the season.

In recognition of the work and support that Pres Slack has given the club for many years, he was presented a putter as a going-away gift. He will be missed at the club. Also recognized for the fine job he has done was Tom Brogger and he in turn complimented his fine staff for the 1980 season.

The evening ended with dancing and everyone proclaimed it one of the finest parties they had attended.

Tug-a-War

Holland—Bill Dean, son of Mr. and Mrs. Jon L. Stevens of Grayling, was a coach of the sophomore team during the 83rd annual Hope College Pull tug-of-war last Friday, Sept. 26.

The Pull is an annual spirit-building event between members of the freshman and sophomore classes and is held at the Black River in Holland.

The event has received national publicity over the years, including feature attention in Sports Illustrated.

This year the sophomores won the event, gaining all of the 385 foot long rope in two hours, 20 minutes.

Move To New Location

Youth Services Bureau, Sibs for Kids and Rainbow Runaway has moved to a new location. These agencies are now located at M-72 West just past C.F. Fick and Sons in the big white house on the left, formerly Milltown Realty.

Debra S. Larson, Director of Youth Services expressed optimism that due to their move that more services would be provided for the area youth and families due to expanded space.

Bob Harrington, Director of Sibs for Kids formerly Big Brothers and Big Sisters encourages everyone to stop by and see the new offices. He also is continuing to seek volunteers to be Big Brothers and Big Sisters.

The community is welcome to see Youth Service's Bureau's offices and if you have any questions or are in need of any of their services phone Youth Services at 348-7702 or Sibs for Kids at 348-7721.

Thomas A. Davis, Esq.
114 Michigan Ave.
Grayling, Mi. 49738

Dear Mr. Davis:

As a property owner in Redwing subdivision I read with interest your letter in the Crawford County Avalanche and I am grateful for your position.

My wife, a physician psychiatrist, is the assistant director of the state's most active childrens psychiatric unit serving Oakland, Macomb and Genesee counties. Her stories of the problem relating to the types of individuals put into the community are indeed of considerable magnitude. As the enclosed article from the Free Press points out, many of these patients are totally impossible to control at times and that medication by injection is far more humane than straight jackets and physical restraint by numerous staff which can result in injuries. The types of individuals who were appropriate for the community have long been discharged to various living areas. The groups to be placed in these homes now represent the most difficult and I can assure you the background histories are not being considered when placements are made by individuals who will not be responsible for the actions of the children. Children in this case means to age 26.

Children at my wife's institution are frequently placed and last only a matter of days or weeks because of assaultive action or other difficult behavior and have to be returned to the institution for care. It appears that the state mental health department would hope to relieve themselves of these problem children forever by keeping no institutions for their return when necessary.

The qualifications for those to be working at the A.I.S. homes will be four weeks of training and will be paid minimum wage. This results in a continual turnover of poorly prepared nonprofessional caretakers. As the enclosed newspaper article points out the staff literally at times will barricade themselves against the client patients. I presume you are also aware that special educational facilities are mandatory thru age 25, with funds badly needed for general education being diverted by law on a priority basis to special education.

Those supporting this development claim the changes to be more humane. However, a close study would reveal that cash flow, not compassion, is the driving force behind the dismantiling of the state mental health institutions. Dr. Ochberg makes pious statements at all times talking out of both sides of his mouth. I am quite sure that when the job is complete Dr. Ochberg will return to the mental health division of the National Institute of Health. It is my personal feeling that he was brought here to do a job for which he has been criticized by numerous state representatives. Rep. Harrison of Pontiac accused him of tearing down the system rather than improving and revamping it.

Sincerely yours,
Merle A. Haanes, M.D.

If you have an electric range, cut your time by five minutes, turn off and let the reserved oven heat continue to bake your food.

Volunteer Dinner

Last Wednesday evening, Oct. 1, 20 people met at the Holiday Inn to honor the volunteers who give a great deal of their time to keep the Crawford County Historical Museum open and operating. The volunteers present were Richard A. Lovely, Olive M. Lovely, Bessie Deckrow, Caribell Goss, Walter E. Angel, Beatrice Angel, Mildrid Blain, Ingeborg Raae, Laura Johnston, Johanna Gorman, and Esther Bryson.

There were several volunteers unable to attend the dinner due to accidents and sickness.

The advisory board members for the museum present were: Mr. and Mrs. LeRoy Akers, Ruth Caid, Margaret Douglas, Sal Truettner, Mary Elaine Harland, Margaret L. Fenton and Elmer L. Fenton. Three members of the advisory board not attending were Mr. and Mrs. Junior Wakeley, and Betty Milliken.

The honored guest at the dinner was Cynthia F. Sparks, who is in charge of the R.S.V.P. office. Cynthia has the duty of securing the volunteers to help at the many volunteer stations in our area. There are many programs through the county that would not operate without the wonderful help from the volunteers.

We appreciate this volunteer help and say Thank You.

Elmer L. Fenton

Don't know beans about banking?

We can help with our IN-Club.

If high finance confuses you, even balancing a checkbook can be a problem sometimes.

That's why so many of our customers like IN-CLUB. The answer to your problem is call "no minimum balance and unlimited check writing" and it's easy and convenient. It simply means that you pay one $3.50 fee each month and everything is taken care of. You don't need to keep track of how many checks you write or worry about a minimum balance or wonder what your service charge will be or how much your personalized checks will cost. You can write checks for everything and have the cancelled checks to show you exactly what you are spending and where.

The amazing part is that unlimited checking is just one of many services you get when you join IN-CLUB—all for only $3.50 a month. What a bargain! We'll tell you more about it when you come in for your membership card.

You're Lucky!

114th Annual OES Session

The 114th annual session of the Grand Chapter, Order of the Eastern Star of Michigan will be held October 14th thru 16th, at the Wings Stadium in Kalamazoo, Michigan.

This session will be known as the "Build a Bridge to Tommorrow", session, stressing particularly service to others. Velda Marshal, Clive Marshall & Ruby Reetz will be attending as delegates of Grayling Chapter No. 83 of Grayling.

To Grind Cider

On Saturday and Sunday from 1 to 4, Tim and Howard Taylor will grind cider for you. You are to bring your own apples and jugs. They are located 3/4 of a mile south of Four Mile Road on Military Road.

They will be using a cider mill that will be powered by a steam engine, both were reconditioned by Tim and Howard.

DAV Outreach Worker Named

The Michigan Employment Security Commission announces the appointment of Alfred Mathew as Disabled Veterans Outreach Worker. Mr. Mathew will be trying to find employment for Disabled Vietnam-Era Veterans as well as all other eligible veterans.

The D.V.O. Program is designed to screen and identify disabled and other veterans for referral on Job Orders to both the private and public sectors in the area.

Mr. Mathew is a 1968 graduate from Shortridge High School in Indianapolis, Indiana with one year at Porter Business College. Mr. Mathew is a Vietnam Veteran serving in the Military Police for two years.

Being a disabled veteran Mr. Mathew has some insight into some of the difficulties that might arise when a person is seeking employment.

After spending three summer encampments in Camp Grayling, Al and his wife Marjorie decided to reside in the Grayling area. Al has been employed by Champion Building Products and for two summers as a Youth Specialist worker at the M.E.S.C. in Gaylord.

Seniors

(Continued from Page 1)

one of these individuals participated at least once in an activitie of the Center.

The primary functions of the Center, such as the food program, the health program, and similar activities are financed by money grants from the Federal and/or State Government. To qualify for these grants the Center must provide what are called "matching funds", either in the form of cash, or cash equivalents classified as "in kind" funds, meaning facilities provided rent free, equipment rent free, etc.

The physical facilities of the Center are primarily provided by the Grayling Housing Commission. They include a dining room, a recreation room, crafts and workshop areas, kitchens, office space for staffs, etc.

These facilities, made available by the Grayling Housing Commission become "in kind" funds at the value of the rental of such facilities in the commercial market, approximately $12,000 annually. The allotment usually given the Center by the Crawford County Commissioners each year, $9,000, provides the cash needed, in addition to the "in kind" funds, to meet the total of about $20,000 "matching funds" required to qualify for the Federal and State Grants, which, in the fiscal year just ended September 30th, amounted to approximately $113,500.

In addition, the Federal Government "Green Thumb" and "C.E.T.A." programs provide the Center with employees who qualify for such subsizided wages, to do jobs which fall into the specifications of these programs. Last fiscal year, Green Thumb and C.E.T.A. provided about $48,000 in wages direct to the participants for such job programs.

The Government grants provided about $28,000 toward the cost of the meals program, and the Seniors contributed about $14,500 in payment for the meals, which is about fifty fifty split.

At the level of services provided during the 1980 fiscal year just ended, it takes about 22 people, half full time and half from 15 to 25 hours per week, to operate the Center. Their salaries, wages and fringe benefits come to a little over $142,000. All Staff wages are minimal and average less than 85% of the rate for comparable employment in Industry or Government.

To explain the financial operation of the Center in easily understood terms, it takes about $170,500 per year to maintain the Center and it's Services at the level experienced during fiscal year 1980 which ended September 30th.

People	$145,000
Telephone, Maintenance Utilities, Audit, etc	11,000
Net Meal Cost	14,500
	170,500

And these cost are normally

And these costs are normally funded by:

Government Grants	113,500
Green Thumb & CETA	48,000
Crawford County	9,000
	170,500

These figures exclude about $10,000 per year which is raised by local drawings of craft made items, parties, bingo, and almost every conceivable idea including drawing of new cars, ever attempted by a group determined to be independent, to cover the costs of the special events, the added equipment, the "fun" creating activities, which bring such joy and happiness to the Seniors.

UNFORTUNATELY, in the depressed economic situation which faces our Nation today, Government Grants, including Green Thumb and CETA, face a very uncertain future. The only thing known for sure is that they will be CONSIDERABLY REDUCED! Combined State and Federal Grants to the Center for the new fiscal year which began October 1st have been reduced by $55,000. Three people have already been removed from the Senior Citizens Center Staff and further belt tightening must occur. The paid Nurse had to be eliminated but the Center is covering most phases of the Health Program with Volunteer Nurses. The remaining Staff have been required to take on additional assignments to avoid having to totally eliminate any program.

If something is not done to offset this funding loss there is no way the Senior Citizens Center with it's programs as we now know them can be continued!

Therefore the Commission on Aging obtained permission from the Board of Commissioners of Crawford County to ask the Citizens of this community to provide direct support for the Center at a half mill addition to property taxes beginning in the year 1981.

Next week we will tell you how this funding can SAVE THE CENTER and keep our Seniors enjoying their present meaningful and happy lives!

Frederic Senior Troop

This year is the first time that Frederic has ever had a senior Girl Scout troop. Our leader is Mrs. Donna Pratt. In our troop we have 2 girls.

We are now conducting a stuffed animal sale, they are being sold for $2.50. If you would like to purchase one, and have not yet been contacted, please call 348-7268, 348-8400 or 348-5569.

Sherrie Fairbrother

Mission Saturation Program

Michelson Memorial United Methodist Church, with other Methodist Churches in the Saginaw Bay District, is sponsoring a "Mission Saturation" program this month.

Under the sponsorship of the Missions Commission, the following program has been scheduled:

Sunday, Oct. 12-6:30 p.m. Junior and Senior Youth Fellowships, 7:30 p.m. Congregational Meeting - Rev. Everett Erickson at both these meetings.

Monday, Oct. 13-12:00 Noon Luncheon Meeting (light lunch, courtesy of the church), 7:30 p.m. Congregational Meeting-Rev. Ben Whaley at both of these meetings. In the evening Rev. Whaley will be showing slides of Mission they have visited around the world.

Tuesday, Oct. 14-12:00 Noon Rev. and Mrs. Harry Brakeman will join the United Methodist Women at a noon pot luck and will present a Missionary program after lunch.

Refreshments will be served following both evening meetings to allow for a social time with the visitors, and the public is cordially invited to any or all of these programs.

Guidance Exams at High School

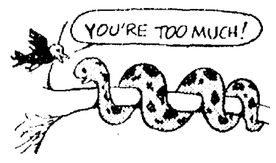

Bill Klinger, guidance counselor at Grayling High School, has announced that sophomores, juniors, and some seniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 21, at Grayling High School, the PSAT/NMSQT measures verbal and mathematical aptitude--two abilities important in doing college work and gives students a chance to find out what the Scholastic Aptitude Test (SAT) is like.

By taking the PSAT/NMSQT, students can enter the competition for scholarships administered by the National Merit Scholarship Corporation and ask to participate in the College Board's Student Search Service, which gives students an opportunity to hear from colleges that they might not otherwise know about.

With their score reports, students receive a copy of ABOUT YOUR PSAT/NMSQT SCORES, a booklet that contains valuable how-to information about estimating SAT scores, finding out where to get and how to use detailed information about colleges and financial aid, and planning for financing a college education.

In addition, students can use the College Board's The College Handbook, 1979-80 to compare their scores with those of enrolled students at more than 2,400 colleges and universities.

An average hen's egg contains about 10,000 tiny openings. Through them, a developing chick takes in oxygen and releases carbon dioxide.

Huron-Manistee National Forests Announce Timber Sale Program

Wayne K. Mann, Forest Supervisor, has announced the planned timber sale offerings for the period October 1, 1980 through September 30, 1981 for the Huron-Manistee National Forests.

Offerings on the Huron National Forest will total about 33.2 million board feet on 26 timber sale areas. The Manistee National Forest will offer about 33.8 million board feet on 29 timber sale areas.

Timber sale program announcements will be mailed to all local timber industry people who have indicated an interest in the program.

Other interested individuals may obtain copies of this program and additional information from any of the following U.S. Forest Service offices:

Forest Supervisor, U.S. Forest Service, 421 S. Mitchell St., Cadillac, Mi 49601, or from District Ranger offices in Baldwin, Cadillac, Manistee; White Cloud, Mio, Tawas, or Harrisville, Mi.

Overdrying

Avoid overdrying clothes. Not only does it waste energy, it can cause shrinkage and excessive wrinkling.

FREE* EASY-CARE EXTERIOR!

Around the World With Steve Rison

Back Home Again

EDITORS NOTE—This is the last series covering Steve Rison's Trip "Around the World".

A few days later I moved across Ireland to Rosslare Harbor, by ship to Wales and then by train to Wiltshire, a county west of London. Staying again with fine friends I had an opportunity to check out the countryside with its many pleasant villages complete with thatched roofed cottages and an occasional manor as well as some ancient burial mounds and monuments (this is the area of Stonehenge) and some ancient Roman and Saxon fortifications. I was also given an update on all the ghost happenings in the area which is quite with activity, I might add. I didn't see any but then again, as you can see, I've been quite busy.

Continuing on from Wiltshire I proceeded to Oxford, another city rich in history and architectural beauty. The university and its colleges presented many distinctive styles and patterns—all perfect and impressive. Later I went out to Blenheim Palace, birthplace of Winston and family home of the Churchills. It is known as the "Versailles of England" because of its resplendent features in building, furnishings, and landscape and, in my mind, truly deserving of its positive regard.

I've spent the last few days in London collecting my belongings, organizing and arranging for my final flight to the east coast-Boston, seeing some movies, people watching in Trafalgar Square, saying good-bye to friends and basically reflecting on it all as I prepare to end one adventure and begin another. The days here have been generally warm and mild but the pace fast and bustling as London usually is. Everything has gone well—except for the bloody primitive phone system!!! I'm beginning to think I have a curse on me when I get close to the phones in that I can just about expect something to go wrong—it's either out-of-order right off, or it spits my 10 pence pieces back while beeping and buzzing strangely, or swallows my 10 pence pieces while droning on with another strange sound til I slam down the phone, offer a few choice expletives and storm off somewhere to calm down and reassure myself that it's not a conspiracy!

As you can see the hassles have been slight while the experiences have been rewarding. It has been especially comforting to begin winding down while surrounded by so many friends. They have been able to share some of the intense excitement I feel everyday now as I get closer and closer to the rendezvous with the beautiful folks I left almost a year ago. Traveling is exciting and at times very trying but without sharing it-a very empty experience. I've described to people along the way that I travel not only for myself but for many of my family and friends who, for one reason or another will not travel and therefore have tried to experience much and to experience deeply. I want my family and friends to touch me and so touch part of the world. The adventure is complete because its sharable—it has been OUR adventure.

So now it's off to Boston, New England, Nova Scotia, Montreal, Toronto and back to Michigan. See you all in a week or so—and counting!

Cheerio
"On The Road"
London, England

Homemaker Service

I would like to take this opportunity to thank you many generous citizens for your cooperation and your donations. We almost reached our goal for this fiscal year. We were short only $22.00. We at the Center are very happy that you responded so well to a very important need. Thank you again.

Regardless of the government financial cuts, we are still trying to "hold the line" and continue to service all of the Crawford County Citizens that need our services. We would appreciate it if the Citizens would call us when you need our services or if you know of someone that does. The only qualifications are that you be 60 years of age or older, be a Crawford County Citizen and be handicapped or homebound This means that a person is unable to perform routine daily chores. There are no income restrictions, however if you can afford to pay we do accept donations. This allows us to do more services for more people. We also have a Government fee scale for your guidance. If you have any questions, call us at (348-9314) or come and see us at the Senior Citizen Center, 308 Lawndale.

I was watching Maggie Kuhn, the gray haired radical, on Hugh Downs Over Easy Program last week. She and her Congressman Colleague tried so hard to make everyone aware, the young and the elderly, of the importance of exhausting every effort to allow our Senior Citizens to remain in their homes, where they want to be and should be if at all possible. Remaining in their homes is economically wise and humanitarian wise. I thought that with their limited time, one half hour, they covered many very important subjects. The show was on Channel 6 & 14 and will be shown again soon. Hope you watch for it, you won't be sorry, it was very informative.

I do hope that you are all registered and plan to vote for the Senior Citizen Center millage.

Joyce Hankins
Homemaker Coordinator

PENGUIN POLLUTION

Fish fed to penguins in zoos must be thoroughly cleaned prior to consumption. Penguins are most susceptible to infection since the air in their native Antarctica is almost germ free.

District Court

The following people appeared before Judge Francis L. Walsh, in 83rd District Court last week:

James Francis Curtis, 20, Grayling, pled guilty to a charge of Unlawful Use of Marijuana and was fined $205 or 30 days and placed on probation for 6 months.

Christopher Scott Lepsy, 18, Grayling, pled nolo contendere to a charge of Malicious Destruction of Property of a Value under $100.00 and was fined $105 or 10 days and restitution and $100 attorney fees and placed on probation for one year.

Lawrence James Wade, 21, Lansing, demanded a preliminary examination on a charge of Malicious Destruction of Police Property. The 12 day period was waived and a $2,500 cash/surety bond was set.

Daniel Robert Bale, 23, Grayling, pled guilty to a charge of Assault and Battery and was fined $65 or 7 days.

Raymond LeRoy Denno, 42, Grayling, demanded preliminary examination to a charge of Malicious Destruction of Police Property. The 12 day period was waived and a $200 cash/surety bond was set.

Richard Wayne Good, 60, Grayling pled guilty to a charge of Impaired Driving and was fined $255 or 14 days.

David Lee Sanborn, 17, Grayling, pled guilty to a charge of Impaired Driving and was fined $255 or 14 days.

Eileen Riesk, 55, Auburn Heights, pled guilty to a charge of Impaired Driving and was fined $255 or 14 days.

Randy Paul Brookshire, 20, Grayling, demanded preliminary examination on a charge of Uttering and Publishing 3 or more NSF Checks within 10 days. The 12 day period was waived and a $2,000 cash/surety bond was set.

Legal Notice

STATE OF MICHIGAN

In the Probate Court for
The County of Crawford
File No. 3859

Estate of Agnes M. Hawkins

TAKE NOTICE: On December 5, 1980, at 10:00 a.m. in the Probate Courtroom, Grayling, Michigan, before the Hon. Emil L. Kraus, Judge of Probate, a hearing will be held on the Petition of Marye Lou Felgenhauer for the admission of a will of the deceased dated January 22, 1974 and for the appointment of Marye Lou Felgenhauer as fiduciary of said estate, and for a determination of heirs. Pursuant to Probate Court Rule, the estate will be assigned to persons entitled to it;

Creditors of the deceased are notified that all claims against the estate must be presented to said fiduciary, Marye Lou Felgenhauer at Rte. 1 Box 2308 K.W., Grayling, Michigan 49738 and proof thereof, with copies of claims, filed with the Court prior to or at the time of such hearing.

Grayling Middle School News

School Pictures: Any student that was absent on Friday, October 3rd will have the opportunity to have their picture taken when the photographer returns. A date will be announced at a later date. All students should have their pictures taken, even if they do not want a package the school needs the photos for the year book and school records.

Elections: Elections for class officers was held the week of September 29th at the middle school, the results were as follows: 8th Grade-Michelle Barber-Pres., Dawn Phelps, Vice Pres., Sec'y, Shannon Krayes and Treasurer, Brenda Rochette; 7th Grade-Shawn Krayes, Pres., Kathy Allen, Vice Pres., Carrie Stephan, Sec'y,and Treasurer Piper Ostrowksi.

For Student Council-Jodie Christman, Pres.; Tina Meldrum, Vice-Pres.; Shari Chapin, Secretary and Kevin Reynolds, Treasurer.

Congratulations to the above students and their sponsors 8th grade: Mrs. Ethel Mae McDaniel and Mr. Larry Austin; 7th grade: Mrs. Dorothy Stinehour and Mr. Butch Stockton; Student Council, Mr. Russ Phillips.

Hats Off: A big thank you goes to Mr. Bill Ruddy and the Gaylord State Bank for their donation of apples for the staff at the Grayling Middle School. This is the second year that the Gaylord State Bank has provided apples for the staff. It certainly has brightened the day at the middle school.

Girls Basketball: Monday, October 13 the 7th grade team will be on the home court, while the 8th grade girls will travel to Houghton Lake. On behalf of the Principal; Mr. Nicholas, Athletic Director, Mr. Philips; Coaches, Mrs. Glennis Austin and Mr. Daniel Ullery; Middle School Staff and Girls Basketball Team we would like to take this opportunity to thank Mr. Ted Kortes, Mr. Randy Chapin and Northern National Bank for donating the trophies to the Grayling Middle School for their annual Invitational Girls Basketball Tournament to be held the week of Nov. 10th. See you at the game on Monday.

Early Dismissal: On Thursday, Oct. 16, the middle school will dismiss their students at 1:15 p.m. for a teachers in-service. Buses will pick up students at this time.

Qualifies For Scotland Trip

New York—Tommy L. LaMotte of RR 1, Box 4565A, Grayling, is eligible to win a free trip to Scotland and $1,000 as a result of scoring a hole-in-one at the Grayling Country Club.

Mr. LaMotte's ace qualified him for the 20th annual Rusty Nail Hole-in-One Sweepstakes, a national competition sponsored by the Drambuie Liqueur Company of Edinburgh, Scotland.

The winner will be announced early next week.

CARD OF THANKS

We wish to thank Dr. Henig, Dr. Elaha, Dr. Rosi, Dr. Kieler and the nurses who took care of Clara Miller during her stay in the hospital. Also thanks to Father Louie, Pastor Bach & Pastor Taylor, her friends & neighbors.

The John Miller Family

Dr. Henig Honored By Alumni Assn.

The Annual G.H.S. Dinner was served at Holiday Inn in the Cedar Room on Saturday, September 27. The tables were tastefully set with white cloths and candles. We were served at our places, which was a treat. President Tony Doremire opened the Program with a welcome to the Alumni and guests. Dr. William Diedrich, Superintendent of Schools, spoke to us about "where we are." There are many special educational opportunities offered now, for every student, from the slow learner to the talented. He complimented those who had planned and built the Middle School building with admirable foresight that provided quarters for students since 1916...Mrs. Elaine Harland introduced Rene Campau, '79. She was the recipient of the first Alumni Scholarship offered by the Grayling Business Women. Rene will attend Kirtland College and major in Business. We congratulate her.

Anniversary classes were recognized by Clara Sorenson, Membership Secretary, as follows...Maude Taylor Greenbury, Astrid Ahman Richardson, class of '25...Don Emery, Joe Kesseler, Mary Schumann Bauer, Tressa Vallad Stephan, Margaret Warren Pardee, class of '30...Clara Atkinson Sorenson, Robert Sorenson, Sam Gust, Virginia Hartley Selesky, Ken Hoesli, Alex Koch, LeRoy Millikin, Lois Parker Barnes, Jean Peterson Gothro, Beverly Schaible Kinkerter, class of '35...Mary Joseph Knibbs, Ruth Sherbanda Vaern, class of '40, Bennie Allen, Betty Smith Allen, Burt Peterson, class of '45.

We had a great group of teachers present, namely, Marie LaMotte Akers, '38, Elmer Fenton, '39, Margaret Fyvie Fenton, Katherine Funck, Jean Gothro, '35, Vella Herman Hill '22, Mary Knibbs '40, Bill Kinkerter, Peg Milnes, Ruth Robertson, Clara Nelson Sales '14, Bruce Smith, Joseph Stripe, Faith Stripe. Without teachers, we would not be G.H.S. Alumni.

Dr. B.E. Henig, our Honor Guest , was introduced by Bill Joseph, '37. He received this recognition for 30 years service to our community. He came to Grayling in January, 1950, and during those busy years became a highly respected citizen. He gave of his time to become a member of our School Board for almost half of those years. With him was his wife, Jeanette, daughters, Gretchen and husband John Nelson and Candace and husband Michael Monroe. Dr. Henig got a standing ovation...and a real surprise...Dr. Diedrich awarded him an Honorary Graduation Certificate, Class of 1980. Our remembrance was a wall plaque presented by Bill Joseph, former School Board member, and to quote the message, "Thanks, Dr. B.E. Henig for 30 years service. 1950-1980 from G.H.S. Alumni." Another special feature was "his cake..."he" was a little golfer on one end of the white frosting, facing a "little red school house". It was a work of art, done by Mary Lenninger Goss, '70.

Treasurer Ernest Larson reported balance to date in each Album Fund, $456.20, Scholarship Fund $2925.16. President Tony commented on the good and bad news of the Alumni Association. The bad news concerned the need for a new Board of Directors. If this is a result of our meeting of Oct. 8, we will be in business for next year...otherwise?...the good news is in the Membership, those who want to keep contact with each other.

The Program closed with the group song, "Grayling Will Shine Tonight". Dennis Karp, Waters, Mi., provided organ music for the remainder of the evening.

Watch next week for a list of out-of-town Alumni and guests who were here.

Clara Sorenson

CARD OF THANKS

Please accept our sincere thanks for the many kindnesses extended to us when God took our husband and father to his heavenly home. The cards, flowers and food plus memorials to both our church and the Heart Fund are gratefully appreciated. Thanks to our pastor, Rev. George Spencer, for his comforting words, and the Sorenson Funeral Home for their thoughtfulness, also to our United Methodist Church for serving lunch. May God bless all of you.

Pearl Tucker & Family

Look-it-up-Club

Mrs. Kathleen Serre came to all fifth grade classes for an hour each. She is from Alpena. She came on September 17, 1980. She taught us how to use the dictionary, encyclopedia and how to look up names in the telephone book. She said we belonged to the "Look it Up Club." She also gave us a pin with a Sherlock Holmes hat on it. By Jill Brackenbury and Heather Watts, 5th grade

ABWA Meet

Grayling American Business Women's Association held their September meeting at the Grayling Country Club.

The guest speaker for the evening was Bob Harrington, Director of "Sibs for Kids" (Big Brother/Big Sister).

Mr. Harrington gave us some background information on the beginning of "Sibs for Kids" and what is involved in being a Big Brother or a Big Sister.

Bob emphasized trust and mutual respect as two important qualities in a Big Brother or Big Sister relationship.

Our vocational speaker was Joan Palmer, she is a substitute teacher for Crawford AuSable Schools and feels the Grayling Staff is great to work with.

The ABWA fashion show will be held October 23rd at the Grayling Holiday Inn. The theme for this year is "A Family In Grayling". Tickets are $3.00 per person and the show will start at 7:30 p.m.

Congratulations to the Rosie Rose Buds, they were the winning team of our attendance contest.

Publicity Chairman,
Julia Walls

Crawford County Library News

Memorial books presented to the Crawford County Library by Cornell's (Paul Thomson and Harry Weideman) are "Cars of the 50's" for James Bristow; "Cars of the 40's" for Devere Wolcott; "Cars of the 30's" for Oscar Smith; "Bess and Harry" for Wilbur Winslow; "Hints from Heloise" for Edna Powers; "America's Colorful Railroads" for Fred Welsh; "Alaska" for Steven Katona; "Colorful World of the Ballet" for Bertha Winslow; "Cars of the 60's" for Walter Mangsen; "Isles of the Carribean" for George Denewett; "Encyclopedia of Toys" for Milford Hall; "Stamp Collectors Handbook" for Robert Adams; "Festival of Popular Songs" for Jack Feldhauser; "Let's make a Patchwork Quilt" for Vera Sherfield.

Other books given as memorials are: from Rose Duley "Naturecrafts" for Ruby Shive and "The Love of Scotland" for Arnold Tucker; from Jim and Marie Wiltse; "The New America's Wonderlands, our National Parks" for Bill Kelly and "The World of the American Indian" for Rev. John Carlton; from Hazens, Lunds and DiPonios "The Hidden Michelangelo" for Mary Jane Cory; From Merle Carlson and Amber Meech "Antique Firearms" for William Rodgers.

Recent donations have been from Mr. and Mrs. Ken Klingbiel "My Many Years" by Rubinstein; "Lakeside, a History of the Lakeside Association of Higgins Lake" from Mrs. T.C. Harvey; "Clementine Churchill" by Sloane, "A Time to Heal" by Ford and "Autobiography of Merv" by Griffin from Lois Ford.

We have an unclaimed 1979 "New Book of Knowledge; Volume I". If you are missing this book from your set please call the library or ask at the desk.

Sharks

Average length of an adult great white shark is 18 feet. Great white sharks are rare. In a normal year, great white and all other species of sharks kill or maim not less than 40 or more than 300 people around the world, according to estimates. Bee stings kill more people than that in the United States alone — every year.

New Amendments To Township Rural Zoning

The State of Michigan passage of Act. No. 637 (Public Acts of 1978) recognized that new developmental pressures in townships require a new and more effective approach to zoning for land uses. These new amendments to the Township Rural Zoning Act of 1943 provided new methods for townships to administer growth and change.

Grayling Township was one of the first rural townships to adopt a zoning ordinance in 1966, and was the first township in Michigan to protect lands bordering rivers and lakes by instituting a restrictive residential green belt zone.

Since that time, however, the ordinance has become outdated by the passage of Michigan Public Act 637 of 1978. The Grayling Township Planning Commission recognized some additional difficulties with the ordinance and started the process of drafting a new ordinance. H. Richard Anderson, a Planning Consultant from Marquette, Michigan was retained by the township board to assist in the development of the new ordinance, and has worked with the Grayling Township Planning Commission since last spring.

Zoning is a "police power" measure, enacted primarily by local units of government, in which the community is divided into districts or zones within which permitted and special uses are established. In addition, regulations are included governing lot size, building bulk, placement and other development standards. Requirements vary from district to district, but they must be uniform within districts. Grayling Township's proposed ordinance consists of two parts: A text and a map. Both have changed significantly, and shall be the subject of a public hearing held on October 20, 1980 in the Crawford County Building at 7:30 p.m.

The following is a brief description of the proposed ordinance changes, as compared with the existing ordinance.

1. Whereas the current zoning ordinance establishes three separate residential and commercial districts, the proposed ordinance combines them into two residential and two commercial districts. The yard and set back requirements have been unified and are similar to the present ordinance. The industrial district remains virtually the same.

2. The proposed text of the ordinance substitutes the current AuSable River (AR) and Recreation and Agriculture (RA) Zones for a proposed Recreational-Forest District. The set back and yard requirements for this new district are similar to those currently enforced within the RA and AR Zones.

3. The proposed Green Belt Zone along the AuSable River has been strengthened to require a larger minimum lot size (from 60,000 sq. ft. to 80,000 sq. ft.) and requires an increased minimum lot width from 150 ft. to 200 ft.

The Native Protection Strip (an area required to be maintained in its natural state) has been increased from 25 feet parallel with the water's edge to 30 feet parallel with the water's edge. The set back requirements are similar to those already enforced.

4. Although township zoning can not be enforced over state and federal lands, the Planning Commission expressed concern regarding the possible future private development of these tracts. To answer this need, virtually all state and federal lands along with some privately owned large parcels are proposed to be zoned Deferred Development. The intent of this district is to reserve large undeveloped areas of the township for future development by prohibiting unplanned, scattered development which would tend to divide these areas into smaller, more difficult to develop parcels. It is also the intent of this district to delay intensive development until utilities and services can be provided.

5. A rezoning of the private property primarily located along the shoreline of Lake Margrethe from Green-Belt to General-Residential will not effect the present environmental protection offered to the shoreline property. In fact, a Native Protection Strip is proposed to be located parallel to the water's edge and 30 feet deep which shall be strictly maintained in its natural state.

Other rezonings have been proposed, which affects various parcels of property throughout the township.

6. A Planned Unit Development (PUD) District has been proposed which permits more flexibility and consequently should encourage a greater imaginative and creative use and design of structures and land than is allowable under the other districts of the proposed ordinance. The PUD District is similar in nature to the Planned Development (P-1) zone found in the existing ordinance. As a floating district, a land owner can propose a mixed land use (Residential development with or without some commercial and recreational uses), and seek a PUD rezoning.

There are some strict requirements proposed within the PUD section which a developer must follow in order to request a PUD designation.

7. As is the case in any community that has a zoning ordinance, some properties and structures will not conform to the provisions of the new ordinance. Each property that does not conform, is automatically considered-Non Conforming-B. Non-Conforming-B properties and structures are allowed to continue, since they have been "grandfathered" into the ordinance- (existed prior to the adoption of the ordinance). However, they may not continue if they are substantially damaged by fire or have been vacant for six months. If vacancy or fire occurs the proposed ordinance requires that action must be taken by the owner to conform to all the requirements of the new ordinance.

There is an exception to the above.

A property owner, recognizing that his/her property and or structure is classified non-conforming-B may request a non-conforming-A designation. This designation may be granted by the Planning Commission upon finding that continuance of the use or structure would not be contrary to the public health, safety or welfare; or, that the nearby property values would not be depressed; or, the use or structure was lawful at the time of inception; or, no useful purpose would be served by strict application of the non-conforming section of the ordinance.

A non-conforming-A designation allows the continuance of the structure and/or use. This was not a part of the existing zoning ordinance and is included in the proposed ordinance.

8. Regarding zoning, state laws governing the procedures of the Board of Zoning Appeals, the Planning Commission and the Township Board have changed and are included in the proposed ordinance.

The proposed ordinance reflects the great amount of time Planning Commission members have invested in its development. It is felt by the members that the new ordinance provides sound guidelines for the future planned development of Grayling Township.

A copy of the proposed ordinance is available for public inspection at the township offices, 103 James Street, in Grayling.

The public hearing to be held Oct. 20, 1980, in the County Bldg. at 7:30 p.m. is a chance for interested citizens to share opinions and feedback concerning the proposed ordinance.

Elizabeth H. Wieland
Township Clerk

Grayling Elementary School News

The whole school had their picture taken on September 30, 1980, in the Grayling Elementary gym. Everyone was all dressed up and looked nice. Everyone got a comb free so that when they got their picture taken they would look nice. Written by Heather Watts and Jill Brackenbury.

* * *

Mrs. Larson's first graders went to see an ambulance here at Grayling Elementary School. Everybody said it was exciting. On the outside it was red, white and black. Everyone went. Inside there was a bed, oxygen, masks, stretchers. The paramedics save people when drowning, hurt, or can't breathe, etc. They cannot give shots. But they have already delivered six babies. By Heather Watts and Jill Brackenbury in an interview with Donald Mathews, Kurt Lamount, Toby Neal, and Josh Enrico.

Grayling Boosters Club

"What Helps Youth, Helps Crawford County"

P. O. Box 279
Grayling, Michigan 49738

TO THE RESIDENTS OF CRAWFORD COUNTY

The Board of Directors for the Grayling Boosters Club would like to take this opportunity to make all concerned members and residents aware of the progress of our organization.

The Grayling Boosters Club was founded in May, 1971 for the purpose of supporting the athletic development of all youth of Crawford County. The following listing is a resume of some of the projects directed toward this end since our conception 3½ years ago.

(1) Sponsored the Grayling High School varsity basketball team to summer clinic in 1971 and 1972.

(2) Purchased cheerleaders uniforms.

(3) Purchased cheerleaders winter jackets.

(4) Rebuilt baseball diamond at Millikin Field (installed underground sprinkler system, new outfield fence, diamond dust for infield.

(5) Purchased Universal Gym Physical conditioning machine for Crawford AuSable High School.

(6) Sponsored cheerleaders to summer clinic.

(7) Sponsored youth to State Bowling Tournament.

(8) Sponsored 4th of July Celebration 1973 and 1974.

(9) Supported Little League drive for initiation of new Senior League and provided monies to get League started.

(10) Installed fence around tennis court in Frederic.

(11) Co-Sponsored the Punt-Pass-Kick program with local Ford Dealer.

(12) Purchased football blocking machine for Grayling High School.

(13) Purchased baseball pitching machine for Grayling High School.

(14) Donated monies to High School toward new band uniforms.

(15) Supported summer basketball program in Grayling.

(16) Purchased Universal Gym Physical Conditioning machine for Grayling Middle School.

(17) Installed new underground sprinkling system at Grayling High School baseball diamond.

(18) Donated labor to lay sod at High School baseball diamond.

(19) Built new dugouts at High School baseball diamond.

(20) Donated to Drug Abuse program in Crawford County.

(21) Installed lighting system and construct and maintain skating rink in Grayling annually.

(22) Purchased jerseys for Elementary School peanut basketball league.

(23) Sponsored the Grayling Tennis Tournament in 1974.

(24) Purchased High School track warm-up uniforms and hurdles for boys and girls track teams.

(25) Purchased wrestling warm-up uniforms for High School.

(26) Purchased two merry-go-rounds for Grayling Elementary School.

(27) Purchased merry-go-round, volleyball standards and nets, wall mats, and chinning bars for Frederic Elementary School.

(28) Donated monies to the newly organized Grayling Winter Sports Association to operate the Bear Mountain Ski Area this winter.

December 1976 to August 1978

Donations to COOR Workshop-warm-up jackets and uniforms	$1,655.00
Grayling Youth Bowling	1,075.00
Co-op Nursery Playground Equipment	917.00
Grayling Recreation Authority	1,000.00
Little League-storm damage and uniforms	1,912.00
Crawford AuSable Schools Ski Team-timer	300.00
Crawford AuSable Schools Wrestling-mat	1,000.00
Jaws of Life	500.00
City of Grayling-Playground Equipment	581.29
City of Grayling-Shelter at City Park	6,000.00
Grayling Mercy Hospital	10,000.00
1979 to 1980	
Grayling Little League	650.00
Grayling Recreation Authority	1,000.00
Rocket Football League	500.00
Crawford AuSable School-exercise machine	1,000.00
Winter Queen Scholarship Fund	200.00
American Legion-Kid's Xmas Party	200.00
COOR-Handicapped Horse Program	500.00
High School Football Team Dinner-1979	318.00
Scholarship Fund Class of 1980	4,000.00
Grayling Ambulance Fund	1,000.00
Lovells Township Park	1,000.00
1977-1980	

Fireworks-Purchased fireworks for annual 4th of July celebrations. Raised money from donations, drawings and concession stand at park to offset expenses.

Total Expenses	$18,000.00
Money Raised	17,000.00
	1,000.00

The above figures are not all of the total amount of monies raised and spent by the Booster Club during the last 10 years but do represent the majority of donations.

This money has been raised by dinners, 50/50 club tickets, Bingo (every Tuesday), drawings, membership dues and the sale of club jackets.

On behalf of your Board of Directors I would like to thank each and everyone of you who have supported us in the past and urge that you continue your support in the future.

Bill Duke, President

Know?

(Continued from Page 1)

vicemen and Servicewomen stationed outside the domestic United States, American Red Cross maintains a world-wide communication network, headquartered in Washington, D.C., known as AMCROSS. AMCROSS functions 24 hours per day, 365 days per year.

The local Chapter telephones the message to AMCROSS at Washington Headquarters, or AMCROSS the message from overseas to the local Red Cross Chapter, who upon receipt immediately telephones the message to the Service persons family as directed. And all such communications are provided free of charge.

AMCROSS messages are transmitted to the Service person's Overseas Base, or to the Commanding Officer of their ship at sea, and usually reach their destination within a few hours of the message's receipt at Washington, DC.

There are roughly 3100 Red Cross Chapters in the U.S. and this kind of communication service is maintained every hour of every day and every day of every year, for the benefit of the members of the U.S. Armed Forces and their Families. Over 90% of the work is accomplished by unpaid Red Cross Volunteers.

In addition, these communication services can be, and are regularly used, to transmit funds between Service people and their Families.

A Father wants to send a few hundred dollars to a daughter or son to help finance a trip home on leave; or a child becomes ill and the Service person needs to send extra money home to finance unexpected medical expenses.

To send money from home, the family member delivers the money to the local Red Cross Chapter who authorizes the Field Service Director at the Service person's base to advance the money to the recipient at once. When the local Chapter receives a receipt evidencing the money was delivered to the Service individual the local Chapter sends the money by check to the Field Director. The process is reversed if the absent Service person sends money to the family at home.

In cases of critical illness or death the communication service is vital. Before the Armed Services can send a Serviceman or Servicewomen home on emergency leave in case of terminal illness or death, the degree of seriousness of the illness or the fact of the death must be verified. The local Red Cross Chapter performs that function upon request, by talking to the Doctor in charge regarding the degree of criticalness of the illness, or to the Coroner or Mortician in cases of death. This certification is transmitted immediately to the Service person's base Field Director and is accepted by the Armed Forces so that the utmost consideration for emergency leave can be immediately extended where the circumstances merit or permit.

All kinds of assistance to Veterans is available through the trained Staff Veterans Directors maintained at key offices of American Red Cross throughout the U.S. In the fiscal year eneded June 30, 1980, Red Cross helped Veterans obtain over $313,000,000 in Federal benefits! And it is estimated that less than half that would have been awarded Veterans without Red Cross support.

One such instance is now a part of Red Cross history in Crawford County.

One of our young residents was injured twice during his hitch in the Army, but when he was discharged his injuries were ruled insufficient for compensatory benefits. Shortly after he returned to a civilian job in this County, however, he found he was having difficulty sustaining his share of the physical work involved because of the aftermath of his injuries. He asked for a review by the Army Review Board of jurisdiction but was again turned down. Then he asked Crawford County Chapter to help.

After sending the testimony and evidence in his case to the trained Red Cross Veteran Director in Detroit, it was felt he was entitled to compensation, and, upon authorization by the Veteran, the Red Cross Veteran Director brought his case before a higher level Army Review Board and they ruled the Veteran was entitled to a permanent disability compensation, and granted a pension of over a $1000 per year retroactive back to the date of his discharge.

American Red Cross Service to the Men and Women of the Armed Forces of the U.S., their Families, and to Veterans, is real! And is the major item of Red Cross budget nationally, as it very properly should be.

It takes about $45 million a year to accomplish this Congressionally mandated service and that is roughly 30 cents of every dollar of American Red Cross total service expenditures.

To those not involved, SMF&V as we call it in Red Cross, doesn't mean much; but it means everything to Servicemen and Servicewomen, their Familes and to Veterans! Obviously this is a Service rendered only by Red Cross, and, if Red Cross is to continue to serve our Servicemen and Servicewomen in the outstanding manner they have in the past, the money to render that level of service must be contributed by the Citizens of each and every community throughout the Country.

Surely American Red Cross deserves your financial support!

Won't you please HELP KEEP RED CROSS READY and send a check today to Crawford County Chapter/American Red Cross, RR 2, Box 2515, Grayling, Mi and do YOUR share? Thank you!

Gospel Meetings

Gospel meetings will be held at Grayling Church of Christ, 8724 S. Old 27, Oct. 12-17, 7:30 each evening. The speaker will be Jerry Tallman, Evangelist from Plainwell, Mich. Theme of the lessons is Christian Development. Public welcome. No collections. For further information or transportation, call 348-6573.

Banding Waterfowl Completed In KCC Wildlife Program

The Wildlife Management II class in the Natural Resources Program at Kirtland Community College recently completed a month long project in the capture and banding of waterfowl. 230 ducks (153 of which were the wary and reclusive Wood Duck), and six Canada Geese were captured this year.

Secluded banding sites along the edges of marshes within the Roscommon county area were cleared in late August and baited frequently with corn. Captures were made with the aid of nets and rockets, triggered from a blind some distance from the banding site. Students were in the blinds at 5:45 in the morning, and captures were made four of the ten mornings out.

Waterfowl banding has been a project of the Wildlife classes since 1973. In this seven year period, 3253 ducks and geese have been netted. This figure includes 2196 Mallards, 819 Wood Ducks, 137 Black Ducks, 7 Blue Wing Teal, 7 Canada Geese, and a few other species. Three Pintails and one American Widgeon, not numerous in this area, have also been captured.

Much has been accomplished in terms of wildlife management techniques through this banding process. Students have learned to set up the entire banding site properly (including positioning rockets and nets, and the right amount of propellants for use in the charges. Handling techniques, aging and sexing of the waterfowl, identifying species and hybrids, and the individual and group behavioral traits of waterfowl have also been studied at great lengths.

The waterfowl banding project is one of many the wildlife students, and the Natural Resources Program as a whole, conducts each year. Close work with the Department of Natural Resources on several projects has afforded the students "hands on" experience such as they may gain in actual employment within the agency.

Tentative

(Continued from Page 1)

The breakdown of costs to all defendants was not availble, but Crawford County Attorney Robert Hess indicated the county portion of the settlement was approximately $10,000. This, Hess said, would probably be covered by insurance.

When asked why a final determination of guilt or innocence was not pursued, Hess stated that the outlay of dollars needed to win a judgment would far exceed the amount needed to settle "out of court". "Principle is often just too expensive", he said.

This suit, if settle according to the stipulation, will bury the last issue in a labor dispute which raged in Crawford County for more than three years. The labor unrest wound down in May 1977, when the union election held at the Bear plant was judged illegal by the Cincinnati Court of Appeals. The decision denied Bear strikers UAW affiliation.

The dispute became irrelevant months later when the Kidde Corporation announced its intent to relocate the archery plant to Gainesville, Florida.

Prior to the move, Bear Archery was Crawford County's largest private employer, providing 342 area jobs, and expanding a payroll of $4.5 million annually.

Free Methodists To Hold Bible Studies

Beginning Tuesday, Oct. 14 and going through Sunday, Oct. 19th the Grayling Free Methodist Church will be having a series of Bible Studies.

Rev. Royal S. Nelson of Stanwood, Washington will be the teacher. Rev. Nelson will be presenting a series of seven lessons entitled "The Lamb". He will begin in the Old Testament where the Sacraficial Lamb is lain and given and going on to Isaiah where the Lamb becomes a person and on to the New Testament where that person becomes Jesus Christ.

The weekday services will be Tuesday through Saturday at 7 p.m. The Sunday service will be conducted at 11:15 a.m. and 6 p.m.

Everyone is invited to attend this series of Bible Studies.

Rev. Otis Smith, Pastor

Gen-Tel

(Continued from Page 1)

that one pair of wires was needed to route one phone message, she added.

TOUCH CALLING EQUIPMENT TO BE ADDED

Because of customer demand for the firm's push button dialing service called "Touch Calling," General Telephone will add this specialized equipment in Alpena, Bellaire, Gaylord, Grayling, Houghton Point, L'Anse, Mio, Roscommon and Lincoln in 1981. During 1982, it will be added in Gaylord, Higgins Lake, Hillman, Lachine, Manistique and Rogers City.

General Telephone will also add local and long-distance phone equipment in 33 exchanges at central offices where calls are processed. The company will have spent $6.5 million to finance these projects when they are completed.

In addition, the firm plans to build an addition on to its Grayling switching office to house additional phone equipment, Reagan said. The building project, totaling $173,000, is set for completion in 1982.

Local and long-distance cable projects totaling $8.7 million are scheduled for 32 exchanges to help route the large number of calls that will be made in 1981 and beyond, Reagan said.

About 80 percent of the cables General Telephone installs are placed underground to protect the cables from wind, rain and lightning, she explained. To do this, General Telephone buries the cables or places them in underground tubing called "conduit."

Major conduit projects are set for Gaylord and Manistique totaling $430,000.

To help carry out the 160 some projects for the division, General Telephone is spending $288,400 in 1981 for large tools such as cable plows, ditchers and trucks.

INVESTMENT GROWS

General Telephone's $17.5 million 1981 service improvement and expansion program for the 37 exchanges amounts to an average additional investment of $263 per customer, Reagan said. The company now has an average of more than $1,520 invested for each of the 66,400 customers in the division.

School Meals

Oct. 13 thru Oct. 17

Breakfast

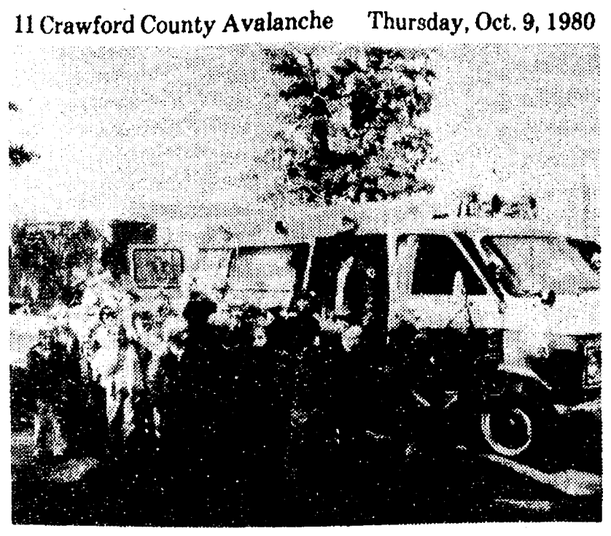

Mon-Cooked Cereal, Orange Juice.
Tues-Sugar Smacks, Corn Flakes or Rice Krispies, Orange Juice.
Wed-Donuts, Hot Chocolate.
Thurs-Cooked Cereal, Orange Juice.
Fri-Pancakes, Orange Juice.

Lunch

Mon-Hot Dogs/Buns, Relishes, Buttered Green Beans, Chilled Pears.
Tues-Chili, Crackers, Chilled Pears, Bread/Peanut Butter.
Wed.-Chicken Gravy/Whipped Potatoes, Jello/Fruit, Bread and Butter.
Thur-Pizza, Pickles, Buttered Corn, Chilled Peaches.
Fri-Fishwiches, Tartar Sauce, Sliced Cheese, Buttered Vegetables, Cookies.

Milk is served with all meals.

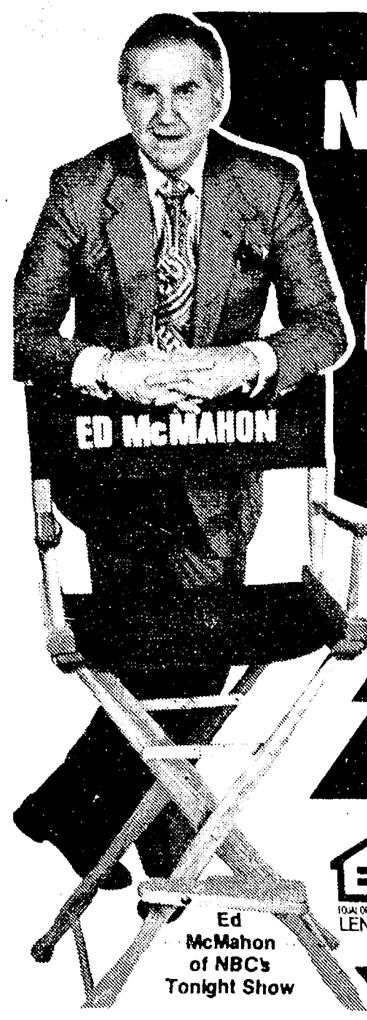

Menu is subject to change without notice.

GRAYLING ELEMENTARY SCHOOL—Miss Wargo's second grade class is working on 'greater than' and 'less than' in math. They are also working on writing their numbers from 1 to 300. They are reading a story called The Boxcar Children, which is very interesting. By Heather Watts and Jill Brackenbury, 5th grade

Bits O'Talk

by Fay Bovee

Pauline and Bill Tufts returned Oct. 2 from a trip to the Canadian Rockies and Los Angeles. They caught the train at Sudbury, Ontario and traveled to Jasper, Alberta. Then by tour bus thru the glacial icefields of Banff National Park to the Chateau Lake Louise for relaxing and to enjoy the picturelike vistas. Off to Calgary and jet to Los Angeles to visit Bills niece and cousin. Next stop Pacific Palisades for a two day visit with Bills WW 2 commander-General McKee. Jet back to Calgary (missing controllers strike by 2 hours. Overnight and then to the train for the 2 day trip back to Sudbury. They thank the Bob Funcks and Rex Giffords for their delivery and pickup service.

"The Forsaken Acre" formerly the Beavercreek Schoolhouse, has been sold to Jay's Septic Service. It had been owned by Claude and Muriel Sloan.

Here to attend the Kolka-Donahue wedding were: Mrs. Betty Denhem and Mrs. Bob Woods of Roseville; Mr. and Mrs. George Woods of St. Clair; Mr. and Mrs. Larry Pond of Livonia; Mr. and Mrs. Jerry Carver of River Rouge; Mr. and Mrs. Jack Morley and Sean and Angel of Bay City. All were guests at the Gordon Pond Residence.

Iva Lazarowicz spent a week visiting her daughter Viola & family, while there she called her daughter Clara, but did not get a chance to see her, she then continued on to Saginaw to visit Mary Jo McCullan, then spent a week in Detroit with Andrew Lazarowicz & 2 grandchildren, she also spent some time with her granddaughter, Cindy Severn. After returning home Iva received a call from her son Kenneth, he is working in Houston, Texas.

Evelyn and Ab Sager were in Cleveland for five days recently, to attend the annual meeting of the Supreme Council of the Northern Masonic Jurisdiction. As a 33rd degree Mason, Ab is an Honorary Member. The next annual meeting will be in Philadelphia.

The Sagers were back for one day, attended the golf banquet at the Holiday Inn and then left to visit Mrs. Stanley G. Wilson in Grand Ledge for a few days. They were back home on Wednesday after an over night stop in Saginaw for the annual physical check up.

Mrs. Irene LaRush spent weekend before last with her son and family, Tim and Nancy Perry and girls, in Greenwood, Ind. She accompanied Steve and Shirley Perry, who visited friends in Plainfield, Ind.

On the weekend of the September 20, Mrs. LaRush was in Hale to attend the 50th wedding anniversary of Fred and Rosetta Liddell. A special guest at that celebration was Rosetta's 93-year-old mother.

Crime hits where you live

RICHARD MILLIMAN

Surveys and polls produce fascinating information, not only in politics but in several other lines as well.

A couple of crime-related surveys recently, for example, make interesting reading.

In 20 percent of all Michigan households last year, either the resident or the property was the victim of some form of crime, with the most common crime either larceny or theft. That crime rate is up only slightly from the previous year's incidence of 17 percent, and down from the 25 percent level reported in 1976.

Even so, most Michigan residents, according to the survey, consider crime the Number One problem in their communities...but, at the same time, about 75 percent feel reasonably safe in their own neighborhoods at night.

The annual survey, conducted by the criminal justice office of the Michigan Department of Management and Budget, sampled 800 households. It also produced these indications:

About 60 percent of Michigan residents favor the death penalty, and there is strong public support for stiff mandatory sentences...56 percent would be willing to pay $1 to $25 a year to build new prisons to ease overcrowding (a tax increase for prison construction is on the fall ballot)...a majority think so-called victimless crimes such as prostitution, homosexual acts and gambling, should remain illegal...the public seems divided on lowering marijuana penalties...two out of three Michigan residents think sentences are too light, with the feeling strongest among the elderly and among whites.

Then there's another survey, this one of Federal Bureau of Investigation field offices, where 71 percent of the 61 FBI offices responding listed corruption by state and local officials as the most widespread white-collar crime problem. Bank fraud and embezzlement ranked second, listed as a problem by 61 percent of the FBI offices.

Corruption of public officials ranks high apparently because it is a factor in several other crimes, according to the FBI. Included in the corruption category were kickbacks to purchasing agents, inspectors, legislators and judges, as well as fraud in handling public funds.

Among other white-collar crimes with a high rating was illegal disposal of toxic wastes and arson for profit.

Turning away from crime, but sticking with statistics, I was surprised by an occupational analysis of delegates to the 1980 Democratic national convention. According to reports, 10 percent of the delegates were public school teachers (compared with two percent of the populaton being teachers) and 30.3 percent were public office holders or government employees in one capacity or another (compared with only seven percent of the population which works for government at all levels).

With this knowledge in mind, interpretation of what happened in New York is a bit more meaningful. In view of these statistics, are the political "reforms" which were designated to reflect more exactly the general population in the nominating process really worthwhile? I only ask the question; you provide your own answer.

Then there are a whole bunch of other statistics and surveys offering interesting data. Here are a few, without interpretation or classification:

—Workers voted to toss out their unions in 75 percent of last year's 777 decertification elections, according to the National Labor Relations Board, which was the second highest percentage in 30 years.

—About 33 percent of U.S. office workers wish they would do their puffing only in designated areas, according to a Harris poll; but only six percent of 203 companies surveyed provide separate spaces for smokers.

—A survey of big company presidents by an Atlanta consulting group lists three situations which make the big bosses most anxious; surbordinates' failure to accept or carry out responsibility, failure to get critical information, and firing someone.

—Small businesses say their biggest problems are finding competent workers, then motivating them to perform, according to Roper poll. Next biggest problem area is tax forms and other federal and state regulations.

—Total employment on U.S. farms was about 3.4 million as of last April 1, down only one percent from a year earlier, according to the U.S. Department of Agriculture.

Some closing Nuts and Jolts from Hod Shewell:

—A small town is where the news hits the streets before the editor gets the cover off the typewriter.

—Why is it that an undesirable is always the other guy?

—Metabolism is something that doesn't function too well after it's been functioning too long.

—Dog racing is getting faster. In one race, the mechanical rabbit came in fifth.

—Any bird watcher convention is bound to a 'owling success.

Commended Student In The 1980 Merit Program

Melissa Meldrum

Kent Reynolds, principal of Grayling High School, announced today that Melissa L. Meldrum, a senior at Grayling High School is being commended for her outstanding performance in the twenty-sixth annual (1981) National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation, which conducts the competition, will be presented to Melissa.

More than one million students entered the 1981 Merit Program by taking the PSAT/NMSQT in 1979. About 33,000 of these students throughout the United States will receive a commendation for outstanding test performance. Commended students rank below the level required for Merit Program Semifinalists—the only participants who will continue in the 1981 competition for Merit Scholarships. Nonetheless, Commended students have shown exceptional academic promise by scoring among the top five percent of Merit Program participants.

An officer of the corporation stated that "to be designated a Commended student in the Merit Program is an attainment deserving of public recognition. The continued educational and personal development of such students will benefit the entire nation."

Commended students who requested it have been referred as worthy candidates to admissions and financial aid officers at two higher education institutions of their choice. It is hoped that the referral service and Merit Program recognition will result in assistance for these Commended students as they pursue their educational goals.

Melissa is the daughter of Duane and Patricia Petrie of Grayling.

VA Helps Vets Burial Costs

A new Veterans Administration benefit has helped pay for headstones or grave markers for almost 40,000 veterans buried in private cemeteries since it first became available in 1979.

The legislation permits VA to reimburse part of the cost of an individual headstone or marker placed on the grave of a veteran buried in a private cemetery. The reimbursement cannot exceed the average cost of headstones purchased by VA for this purpose. The current amout is $53.00.

Families of veterans who select a burial site for a deceased veteran in a private cemetery now have two options for VA assistance in marking the grave. VA will provide a headstone or grave marker free of charge and ship it to the consignee designated on the application. Cost of placing the marker in a private cemetery must be borne by the applicant, however. If a marker other than the VA standard is chosen, VA will reimburse up to $53 toward its cost.

Application for reimbursement can be filed at any VA regional office. Applications for the VA headstone or marker should be addressed to Director, Monuments Service, Department of Memorial Affairs, Veterans Administration, 810 Vermont Ave., N.W., Washington, D.C. 20420.

The VA assistance on headstones is in addition to the $300 VA burial allowance and a $150 plot allowance.

DALE CARNEGIE COURSE
EFFECTIVE SPEAKING & HUMAN RELATIONS

Last Year Alone This Famous Course Taught All Over The World Helped Over 90,000 Adults Prepare For Leadership in the Community and Profession. It Will Help You Acquire Skill in the Two Personal Qualities Needed For Leadership Today. The Ability To Speak Effectively Before Groups and Individuals. And The Ability To Handle People.

Gaylord Class Now Forming

- Prepare for Leadership

To Hold Teacher Seminar Here

A unique Copy-All-You-Can seminar for Teachers is to be held at the Holiday Inn, 2650 Business Loop South I-75, Grayling, Michigan, from 9 a.m. to Noon Saturday, October 4th.

On display at the session will be a series of Educational Centers showing in detail over 200 games that can turn dull drills into fun-time learning experiences for elementary pupils.

Complementing the layout of the Education Centers will be a large assortment of file-folder activities as well as smaller pre-programmed games stressing development of basic Math and Language Arts Skills.

An almost unheard of facet of the "Michigan Teacher" seminars is the lack of restriction on participants copying and adapting any of the displayed materials for their own classroom use. In face, seminar participants are encouraged to bring cameras and tape recorders to retain details of the games and displays to be utilized when they return to their own school districts.

In addition to the introduction of the program and a brief explanation of the games and displays, time is provided for those attending the seminar to trace and duplicate as many of the displayed games as possible.

Further information is available from "The Michigan Teacher" at 6275 E. Albain Rd., Monroe, Michigan 48161 or by calling 313/242-5094.

Grayling High School

By Joelyn LaChappelle

The hectic days of homecoming week are all in the past now. This years homecoming took place very early in the year and took many people by surprise. The weeks activities ranged from such things as the VW push and pyramid build to activities such as balloon toss and pie eating contests. Points were given out to all classes winning a competition. The points were added at the end of the week to see who would be awarded with the spirit cup. This years senior class took the honors of accepting the cup with a total of 71 points accumulated over the week. The junior class came in second with 62 points and sophomores in third with 21 points.

Pam Tobin and Bill Roach were announced King and Queen at half time of the game Friday night. Other nominees were Dawn Niederer, Connie Keene and Joan Albright for Queen; and John Junttila, John Krajenka and Todd Golnick for King. Other members of the court were the following: for the freshman class, Dawn Weatherly and Paul Hamlin; for the sophomores, Kay Golnick and Luke Petrosky and for the junior class, Lisa Sadjak and Tracy Fagan.

Pass the What?

One fellow claims he was the youngest of 14 children. "I was 20 years old before I found out there were others parts of a chicken besides the gravy," he said.

DON'T PUT POSTERS ON POLES—Campaign posters show up on General Telephone and other utility poles every election year and 1980 is no exception. Nails used to fasten the signs present a dangerous problem for telephone installers who climb the poles when repairing or installing phone equipment. If one of the spiked "climbers" strapped to the legs of an installer hits a nail, the installer is apt to lose his footing. Here, Howard Bryant, a General Telephone installer repairperson, removes nails from a pole before climbing it. General Telephone has a policy against posting any kind of sign on its telephone poles and many Michigan cities have ordinances prohibiting such postings also.

GRAYLING MIDDLE SCHOOL EIGHTH GRADE BASKETBALL TEAM—Front row (left to right) Audra Small, Carol Longworth, Lisa Solomonson, Gina Medley, Shari Chapin, Vickie Kea, Madelyn Thomas, Vickie Miller, Shannon Krayes; second row (left to right) Tammy Pettit, Jodie Christman, Erin Jones, Michelle Barber, Kris Laudenslager, Tracy Hull, Dawn Phelps, Heidi Derenzy, Brenda Rochette, LeeAnn Lovell. Up front in the middle is Coach Dan Ullery. (Photo by Carroll Wert)

On Monday, September 29th the Grayling 8th grade girls took two from the Houghton Lake girls. The "B" team won 17-0, and the "A" team won 18-9. Both teams played good defensive games to help them remain undefeated thus far this year with a 5-0 record.

7th GRADE GIRLS' BASKETBALL TEAM—Grayling Middle School, Jody Harwood shown in center; front row (left to right) Julie Headley, Stacey Campbell, Carrie Stephan, Stephanie Hindmarsh, Lori Pfaff, Dalynn Grant, Lisa Spina and Jenny McEvers-manager; back row (left to right) Tina Meldrum, Amy Henion, Melissa Madsen, Julie Montgomery, Kim Springer, Chris Mahaney, Piper Ostrowski and Glennis Austin-coach. (Photo by Carroll Wert)

The 7th grade girls "B" won 14-13 and the "A" team won 20-15, against Houghton Lake. Kim Springer had 10 points. The 7th grade team has a 4-1 record thus far.

Frederic Community Library

We have had several new books donated to the library in the past few weeks, including mystery, autobiographies, cookbooks, arts & crafts, and flowers and trees.

We also have the book SHOGUN by James Cavell, and also we have seven new western books by Louis L'Amour, for all you western fans.

We are still in need of Glen's Market Tapes. Your donations are greatly appreciated.

The library hours are 9 to 5, Monday through Friday.

We still have several books for sale and the price is still 10 cents.

Ruth Barber
Librarian

Legal Notice

To the Owner or Owners of any and all Interest in, or Liens upon the Lands herein described:

Take Notice, that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within 6 months after return of service of this notice, upon payment to the undersigned or to the Treasurer of the County in which the lands lie, of all sums paid upon such purchase, together with 50% additional thereto, and the fees of the Sheriff for the service or cost of publication of this notice, to be computed as upon personal service of a summons upon commencement of an action, and the further sum of five dollars for each description without other additional cost or charges: If payment as aforesaid is not made, the undersigned will institute Proceedings for possession of the land.

Land Description: Crawford County, Grayling Township T-26N, R3W. Sec. 25 W¼ of E½ of SE¼ of SE¼.

Amount necessary to redeem, $232.22 plus the fees of the Sheriff.

Legal Notice

STATE OF MICHIGAN
In the Circuit Court for
The County of Crawford
File No. 80-004-332-CK
NOTICE OF SALE

Ruel H. Decker and Mary A. Decker, husband and wife, Plaintiff(s),
vs.
Gerald J. Maher and Cynthia J. Maher, husband and wife, Defendant(s).

Default having been made in the terms and conditions of a certain Land Contract made, executed and delivered by Defendant(s) Gerald J. Maher and Cynthia J. Maher, to the Plaintiff(s), Ruel H. Decker and Mary A. Decker, dated February 28, 1980, and a JUDGMENT OF FORECLOSURE having been entered in the Circuit Court for the County of Crawford on the 5th day of September, 1980, ordering that there is due to the Plaintiff(s), Ruel H. Decker and Mary A. Decker, upon the said Land Contract dated February 28, 1980, the sum of Seven Thousand, Two Hundred and Fourteen and 34/100 ($7,214.34) Dollars together with costs and attorney fees in the amount of Sixty-Six and 22/100 ($66.22) Dollars for a total of Seven Thousand, Two Hundred and Eighty and 54/100 ($7,280.54) Dollars plus interest thereon at the rate of Nine percent (9%) from the 28th day of May, 1980, to the 5th day of September, 1980, and Twelve percent (12%) from the 6th day of September, 1980, until the date of Sale.

NOW, THEREFORE, by virtue of the terms of said JUDGMENT and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on the 19th day of November, 1980, at 10:00 o'clock in the forenoon, said JUDGMENT will be enforced by a sale at public auction to the highest bidder at the northeasterly front door of the Crawford County Courthouse in the City of Grayling, Michigan, that being the building where the Circuit Court for the County of Crawford is held, of the premises described in said JUDGMENT, or so much thereof as may be necessary to pay the amount due on said JUDGMENT with interest, legal costs, expenses and charges including attorney fees allowed by law and also any sums which may be paid by the Plaintiff(s) Ruel H. Decker and Mary A. Decker, to protect his interest in the premises, which said premises are described as follows:

LOT Six (6), PINEWOOD SITES, according to the Plat thereof as recorded in Liber 2 of Plats, Page 59, Crawford County Records.

The period of redemption expires six (6) months from the date of sale.

Dated: October 2, 1980

Land Contract Foreclosure Sale

Notice is hereby given that pursuant to a Judgment of Foreclosure and Order of Sale entered by the Circuit Court for the County of Crawford, State of Michigan, on the 17th day of July 1980, in favor of J. Norman Wilson and June Marie Wilson, Plaintiff, and against Righteous Few, A Michigan Corp., Jim McGurk, Jeff Kennedy and Brad Rager, Defendant(s), which Judgment foreclosed upon the rights of said Defendant(s) in and to a certain land contract dated the 17th day of September, 1978, Leo E. Lovely County Clerk, or his (her) designated deputy, shall offer for sale to the highest bidder at a Public Auction, to be held at north door of the County Building in the City of Grayling, that being the place for holding the Circuit Court for the County of Crawford, State of Michigan, on the 13th day of October, 1980, at 10:00 o'clock in the forenoon, the following described property:

Parcel "A": East ½ of the East ½ of the Southeast ¼ of the Northwest ¼ of Section 21, Town 28 North, Range 3 West, containing 10.2 acres; also a right of ingress and egress over the North 33 feet of the North ½ of the North ½ of the North ½ of the South ½ of the Northwest ¼ of Section 21; also subject to and use of 33 foot easement along the North 33 feet of the Southeast ¼ of the Northwest ¼ of Section 21 all located in Maple Forest Subdivision, Crawford County, State of Michigan.

The period of redemption shall be six (6) months from and after the date of such sale.

City Council Proceedings

Regular Meeting of the City Council held September 29, 1980.
The meeting was called to order by Mayor Thompson at 7:30 p.m.
Members present: Thompson, Golnick, Failing.
Members absent: Westervelt, Sabin*.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Don Geiss, Gussy Konopnicki, Maggie Kesteloot, Renee Belcher, Joseph Schrader, William Schroderus & Rocky Freed of Hill, Woodcock & Distel, Scott Rasmusson, Steve Allen, Duane Swift of Chamber, Chris Conklin, Walter Nowak.

Motion by Golnick, supported by Failing that the minutes of the meeting of September 8, 1980 be approved as presented. Ayes: 3, Nays: 0, Abstained: 0, Absent: 2, motion carried.

Citizens who wished to speak

Mr. Walt Nowak introduced Mr. Duane Swift the new Executive Director of the Grayling Regional Chamber of Commerce. He also thanked Council for their co-operation with him. *Mr. Sabin was now present.

Communicatios were received and noted.

From Hill, Woodcock & Distel, C.P.A. re: 1980 Annual Audit Report. Mr. Schroderus and Mr. Freed were present to go over the audit report with Council.

From U.S. Census Bureau re: 1980 preliminary count.

From Grayling Housing Commission re: minutes of meeting.

From Graylig Rec. Authority re: 1980-81 ski schedule and rate structure.

From M.M.L. re: Bulletin-Vol. 80 No. 25

From City Manager re: Editorial about Homecoming Parade.

Old Business

Discussion took place regarding the 1980 M.M. L. Conference in Kalamazoo. The City Manager noted that the conference will be held from Oct. 8 thru 10.

The City Manager reported on the Annexation Ajudication hearing held in Lansing on 9-18-80. Annexation of part of the area requested was granted. He Displayed a map showing the area which was annexed to the city. He noted that one of the parcels excluded from annexation was a parcel which the owner had requested to become a part of the city.

Mr. Morford reported on the status of the 30 acre land exchange with the DNR for additional Industrial property. The parcel in question has now reached the top of the priority list of the DNR. Possible completion of this exchange may be February 1981.

Discussion took place concerning possible sidewalk installation along Michigan Ave. The City Manager reported that the approximate cost of the proposed project would be $3546.00. He suggested that if council assigned a top priority to the project, it should be included in our next budget year.

Mr. Morford reported on the purchase of stop signs for replacement of some damaged and worn. He noted that we have ordered and received 30 stop signs and 50 sign posts and have changed most of the damaged signs.

A letter from Grayling Insurance Co. indicating that Volunteer Fireman are covered under our liability insurance policy was presented to council.

The site plan for the Cobble Creek apartment project was presented by the City Manager for council information. He recommended council approve the construction of these multiple family dwellings on the property.

Motion by Thompson, supported by Failing that council approve the construction of multi-family dwellings on the proposed site in accordance with the zoning ordinance. Ayes: 4, Nays: 0, Absent: 1, motion carried.

New Business

A contract with the C.C. Road Commission for sweeping I-75 BL was discussed. The City Manager requested permission to negotiate such a contract.

Motion by Sabin, supported by Golnick that the City Manager be authorized to negotiate a contract with C.C. Road Commission for sweeping BL I-75 with the cost to be borne by the C.C. Road Commission. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Discussion of a request for participation in a sidewalk construction on Michigan Avenue in front of the Grayling State Bank took place.

Motion by Golnick, supported by Failing that the 1980-81 budget be amended to transfer $1000.00 from Public Sidewalk to the 60%/40% sidewalk construction. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Motion by Thompson, supported by Golnick that the City Manager be authorized to negotiate sidewalk construction needs with Grayling State Bank and to proceed with construction as needed. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The City Manager reported on a meeting with Crawford County relative to formation of a Transportation Authority. Two or more governmental units are required to form such an authority. Mr. Chet Johnson will pursue the matter for further information and report back at a later date.

Mr. Morford reported to council on the 1981 street construction program. Council agreed that the City Manager should work with the engineer to formulate a program for 1981 and report back.

Sale of the old MB street sweeper was discussed. The City Manager noted that Miller Equipment Co. will attempt to sell the machine on a consignment basis with a 10% commission. He requested council's permission to try this approach. Council concurred with the recommendation and authorized Mr. Morford to negotiate a sale.

Resolution of Cooperation

Motion by Thompson, supported by Golnick

COOPERATION AGREEMENT

WHEREAS, Title I of the Federal Housing and Community Development Act of 1974 provides that counties may receive community development discretionary funds, and

WHEREAS, the County of Crawford, Michigan, may qualify as a discretionary applicant as specified in the Act, and

WHEREAS, Act. No. 18, PA 1933, Ex. Sess., as amended, being Section 125.651 et. seq., of the Michigan Compiled Laws Annotated and Act No. 344 PA 1945 as amended, being section 125.71 et. seq., of Michigan Compiled Laws Annotated is the basic State legislation authorizing the County of Crawford to undertake essential community development and housing assistance activities within its boundaries provided it has an intergovernmental agreement with the specific community, and

WHEREAS, the City of Grayling wishes to join with the County of Crawford in the planning and implementation of this program, now, therefore, be it

RESOLVED, this 29th day of September, that the City of Grayling hereby agrees to participate in this program under the auspices of the County of Crawford during the program period approved in the application by the U.S. Dept. of Housing and Urban Development, and be it further

RESOLVED, that program participation shall be construed to include participation in those community development and housing assistance activities referred to in the housing assistance plan, as submitted to the U.S. Department of Housing and Urban Development for program year 1981.

Ayes: 4, Nays: 0, Absent: 1, motion carried.

A resolution was offered relative to the rehabilitation of I-75 BL.

Motion by Golnick, supported by Failing that the City Treasurer be authorized to issue a check in the amount of $12,500.00 on March 15, 1981. Said $12,500.00 to be 20% of the estimated costs for the City of Grayling Sanitary Sewer work which is to be performed in conjunction with the rehabilitation project on BL I-75 under contract with the Michigan Department of Transportation No. (80-0637) MBR 20012-15425. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There were no Reports of Councilmen

Reports of City Manager, Mr. Morford reported on the following:

Discussions with Trail Riders Assoc., re: Horse Trail thru Grayling.

Seminar on Traffic Engineering and safety.

Election information.

NEMEDA annual meeting Oct. 23, 1980 in Harrison.

23rd Annual Grayling Regional Chamber of Commerce banquet Oct. 15, 1980.

Adjournment

Motion by Golnick, supported by Failing that the meeting be adjourned. Ayes: 4, Nays: 0, Absent: 1, motion carried. The meeting was adjourned at 9:15 p.m.

Jerry W. Morford
City Manager & Clerk

The Frederic Township Board reserves the right to reject any or all bids.

Harold Mertes
Frederic Township Supervisor

Attend the Church of Your Choice

In Remembrance Of Me

For almost two thousand years the Sacrament of the Lord's Supper has been celebrated by Christians everywhere. Though variously interpreted by the churches, though administered with different ritual, it has always remained our unifying bond . . . *the Communion of the Church with her Lord.*

On World Wide Communion Sunday Christian congregations all over the globe will assemble to celebrate this Communion. Each will follow its own accustomed usage, exercising the right of religious freedom that the free peoples of the world treasure so highly. And as millions receive the Sacrament they will be conscious of the joyous faith that unites them with one another and with Christ.

This is a century of crisis in which those who treasure their spiritual heritage must stand together . . . must face with courage the alarming growth and ruthless power of an atheism dedicated to the overthrow of both freedom and religion.

Join your fellow Christians at The Lord's Table!

Crawford County's Prosecuting Attorney

Alton T. Davis

As I travel the County during this election year, I find that many of you are curious about my background prior to arriving in Crawford County.

I was born in Petoskey, Michigan, on July 23, 1947. I was raised on my grandparents' farm in the small rural community of Burt Lake, Michigan. It was there that I gained my lifelong appreciation for Northern Michigan, its people and their values.

I graduated from Inland Lakes High School, Indian River, Michigan, in 1965, and attended North Central Michigan College in Petoskey, Michigan, graduating with an Associate of Arts Degree in 1967. In 1969, I received a Bachelor of Science Degree and Teaching credentials from Western Michigan University in Kalamazoo, Michigan.

While in college, I did all the things every young person does to earn tuition money, including working as an all-night disc jockey, a horse trainer, a bartender, a cook, a waiter and a loan applicant. Plenty of variety to fall back on if things go badly in this election!

My first year after graduation, I taught High School English and Debate in the Upper Peninsula.

From 1970 to 1974, I attended night school at the Detroit College of Law. For two years of that time I was a substitute teacher in the Detroit Inner-City Schools, and the last two years I served as the Administrative Assistant to the Chief Judge of the United States Federal Court in Detroit, where I gained a first-hand working knowledge of our Judicial System.

Following graduation and admission to practice, I returned immediately to Northern Michigan. I practiced with a firm in Houghton Lake for six months, and then came to Grayling, where I've been in active practice since 1974.

I'm married, have a lovely baby daughter, and reside with my family at our home in Beaver Creek Township, where we've been since 1976.

Listed below is a summary of my job experience, professional associations and civic affiliations.

Thank you all for the interest and support you've extended in this past term. I request your continued assistance on November 4th, and thereafter.

Alton T. Davis

ALTON T. DAVIS

EXPERIENCE:
